MINUTES

OF THE

CITY COUNCIL

For the Year 1923

Council Chamber,

Kingston, Jan. 8th, 1923.

The inaugural meeting of the Council of the Corporation of the city of Kingston for the year 1923 was held in the Council Chamber at 11 o'clock to-day.

J. M. Farrell, Police Magistrate, administered the declaration of office to the Mayor-elect, Thomas Bryant Angrove, who then took his seat and administered the declaration of office to the aldermen-elect as follows:

Sydenham Ward—Thomas Ashmore Kidd, Fergus Joseph O'Connor, Henry Ford Richardson.

Ontario Ward—John Edwin Johnston, Robert Edwin Kent, Herbert Nasmith Robertson.

St. Lawrence Ward—Harvey James Milne, William Palmer Peters, Havelock Ford Price.

Cataraqui Ward—Charles Samuel Anglin, William James Driscoll, Enoch Godwin.

Frontenac Ward—John Daniel Boyd, William Holder, Howard Kelly.

Rideau Ward—John B. Holder, George Laturney, Clifford Charles Nash.

Victoria Ward—Percy Bloor Chown, William McCartney, Thomas Henry Sargent.

The City Clerk called the roll, the following members being present:

Mayor Angrove, Ald. Anglin, Boyd, Driscoll, Godwin, Holder, Holder, Johnston, Kelly, Kidd, Kent, Laturney, Milne, McCartney, Nash, O'Connor, Peters, Price, Robertson, Richardson, Sargent.

MAYOR'S INAUGURAL ADDRESS.

To the Members of the Council of the City of Kingston:

Gentlemen:—

I wish to extend to you my hearty congratulations on being elected as aldermen for the year 1923. All the members of Council but four have had previous service, and we expect to benefit by their experience of other years.

To the four new members I extend a special welcome, and hope that they will find the work enjoyable, and that they will give it their early attention.

You will be given copies of the Rules and Regulations, Minutes of Council, By-laws, etc., and I hope that you will make yourselves familiar with them as early as possible.

I desire to congratulate the retiring Council of 1922 on the good year that has just passed, and hope that we may have an even better year.

This can only be obtained by strict attention to duty and taking a deep interest in all things civic.

As usual I would like to refer to a few of the Departments which will require our special attention.

Unemployment.

We have at the present moment some of our citizens unable to find employment.

This will require our immediate attention, and we will have to make provision for their care and maintenance during the winter.

Harbor Improvement.

This is a question which is still with us, and will be for some time, but we must not slacken our energies, and I want the Harbor Improvement Committee to be alert, as this may be the year in which the Government will move toward the establishing of a deep water terminus.

Paving.

Considerable paving was done last year, and I consider the paving of Ontario street from William to Brock and on Brock from King to Ontario street, linking up with the Market Square, as a decided improvement to the appearance of the city buildings, and gives the travelling public a fine first impression of the city.

I believe that paving the streets is a good investment, and in line with the city's progress, besides giving work to our citizens, but I think that extra care should be taken before putting down pavements in sections where the cost exceeds the value of the property.

New Hotel.

You will say this is an old story, and I agree with you, but you will also agree with me that, old as it is, it is nevertheless a real problem which should be solved.

Every one knows the great need, and since we have our new highways, meaning such a vast increase in the tourist

trade, the city is losing every year a large amount of money which would go a long way towards establishing a modern fireproof hotel.

Industries.

This is a branch of civic work which has been receiving considerable attention of late, and with some measure of success, at least enough to show what can be done, and I desire the Industries Committee of this year to put forth extraordinary efforts to secure for the city some real bona fide industries, as I believe it is the key of our progress and civic growth. New factories mean increased population, needing new houses to live in, new real estate, new pay rolls of money brought from the outside and distributed for a livelihood amongst our people. New houses and other real estate means more taxpayers and more taxes to allow us to pay our way with the ever-increasing demands without increasing our rates. I therefore put this department at or near the head of the list, and hope that strong men will be appointed to the committee.

New Budget.

The Budget, as you know, is a statement brought down every year showing what our estimated receipts for the year will be, and a report from the Committee on Finance and Accounts as to how this amount shall be allocated and spent. It is an institution of the Municipal Act for the guidance of Councils and the protection of the ratepayers. We have a precedence of Councils living within their appropriations of the different committees and departments, and I am strongly in favor of following the same course this year.

Celebration of 250th Anniversary Founding of Kingston.

At the last meeting of finance a resolution was passed recommending the advisability of granting the sum of five thousand dollars (\$5,000) to the Celebration Committee by the incoming Council. This is a matter which must be taken up as soon as possible, as I understand that it is necessary for the committee to have this amount granted before they approach the Dominion and Provincial Governments for grants to supplement this amount.

The outlook industrially is very bright for this year. The Locomotive Company having a large contract which will employ seven or eight hundred mechanics.

The Library building to be built at Queen's University at a cost in the neighborhood of over three hundred and fifty thousand dollars (\$350,000).

The new Clinic building for the General Hospital will cost in the neighborhood of two hundred and fifty thousand dollars (\$250,000), and other public buildings to be constructed will help very materially in bringing prosperity and contentment to the city.

By the death of the late John L. Whiting, City Solicitor, the City Council was deprived of a valued official and counselor, but we are fortunate in having Mr. T. J. Rigney as his successor.

I regret to part with the members who were with us last year and are absent now, and they have the satisfaction of knowing that they have served the city faithfully.

In conclusion I beg to assure you and the public that I will take the responsibility of being Mayor very seriously, and ask that all our deliberations be carried out in a harmonious manner, each one giving his best to the city's interests, so that when the year's work is ended we will have the satisfaction of knowing that by our co-operation we have added a creditable year to the history of our beloved city.

Moved by Ald. Kent, seconded by Ald. Kidd (1) that the Mayor's inaugural address be received and referred to the incoming Standing Committees.—Carried.

APPOINTMENT OF STANDING COMMITTEES

Moved by Ald. Peters, seconded by Ald. Godwin (2) that the standing committees of the City Council for the year 1923 be composed of members of Council as follows, the first named being chairman, and that this resolution be adopted clause by clause:

BY-LAW NO. 5, 1923.

A by-law to authorize the Mayor and Treasurer of the Corporation of the City of Kingston to borrow certain sums to meet the current ordinary expenditure of the corporation.

Passed January 8th, 1923.

WHEREAS in order to meet the current ordinary expenditure of the corporation and the sum required to be raised in the current year for High and Public School purposes, it is

necessary to borrow money in anticipation until such times as the taxes to be levied therefor are collected, and whereas it is necessary under Clause 319 of the Municipal Act, 12-13 George V., C. 72, to pass a by-law authorizing such to be done.

AND WHEREAS the Council deems the sum of \$350,000 necessary to meet the current ordinary expenditure of the said corporation and the sums required to be raised in the current year for High and Public School purposes until the taxes are collected, and said sum does not exceed ninety per cent. of the ordinary expenditure of the said corporation for the next preceding year, together with the amount required to be raised for High and Public School purposes for the current year, and it is deemed expedient to authorize the Mayor and Treasurer to borrow the sum of \$350,000.

BE IT THEREFORE ENACTED by the Council of the Corporation of the City of Kingston as follows:

1. That the Mayor and Treasurer of the said corporation be and they are hereby authorized under the seal of the corporation to borrow from any chartered Bank the sum of \$350,000, which sum is deemed necessary by the Council to meet the current ordinary expenditure of the corporation and the sums required to be raised in the current year for High and Public School purposes until the taxes are collected.

2. That the said Mayor, with the Treasurer aforesaid, be and they are hereby authorized to pay or allow the said Bank interest on the said sum so borrowed at the rate of five and one-half per cent. per annum.

3. That an agreement, sealed with the Corporation seal and signed on behalf of the corporation by the Mayor and Treasurer, be duly executed and given to the said bank as aforesaid as security for the repayment of the amount borrowed with interest thereon as aforesaid.

This by-law shall come in force and take effect on its passing.

BY-LAW NO. 7, 1923.

A by-law to raise by way of loan on the credit of the debentures of the municipality of the city of Kingston the sum of \$175,000 for hospital purposes.

Passed Jan. 29th, 1923.

WHEREAS the Board of Governors of the Kingston General Hospital have petitioned the Municipal Corporation for aid in the erection, establishment and equipment of an Isolation Hospital for the reception and care of persons suffering from contagious diseases;

AND WHEREAS the Council and the Corporation deem it necessary and expedient to grant such aid and for that purpose to raise the sum of \$175,000 by way of loan in the manner hereinafter provided;

AND WHEREAS the amount of the debt to be created by this by-law is \$175,000;

AND WHEREAS the total amount required to be raised annually by special rate on all the rateable property of the municipality liable thereto for paying the said debt and interest as hereinafter provided is \$15,505;

AND WHEREAS the amount of the whole rateable property of the said municipality, according to the last revised assessment roll of the said municipality, being for the year 1922, is \$16,088,200;

AND WHEREAS the amount of the existing debenture debt of the said municipality, exclusive of the local improvement debts, secured by special act, rates or assessments, is \$1,772,857.99, and no part of the same or of the interest thereon is in arrear;

BE IT THEREFORE ENACTED by the Council of the corporation of the City of Kingston as follows:

1. It shall be lawful for the Mayor of the said corporation, for the purposes aforesaid, to raise by way of loan upon the credit of the corporation by the issue of debentures hereinafter mentioned, from any person or persons, body or bodies corporate who may be willing to advance the same, a sum of money not exceeding in the whole the said sum of \$175,000, and to cause the same to be paid into the hands of the Treasurer of the said corporation for the purpose aforesaid.

2. It shall be lawful for the said Mayor for the purpose of said loan to cause any number of debentures to be made for such sums of money as may be required, not less than one hundred dollars each, which said debentures shall be sealed with the seal of the said municipality and signed by the said Mayor and countersigned by the said Treasurer, and together shall not exceed the sum of \$175,000.

3. The said debt shall be payable in 20 years from the first day of January, 1923, at the office of the Treasurer of the said city of Kingston in the said city.

4. The said debentures shall all bear the same date and shall be issued within two years after the day on which this by-law is passed.

5. The said debentures shall bear interest at the rate of five and a half per cent. per annum from the first day of January, 1923, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer, in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

6. There shall be raised annually during the currency of the said debentures the sum of \$9,625 for the payment of the interest thereon, and the sum of \$5,880 to form a sinking fund for the payment of the said debt, the said sums making together the annual amount of \$15,505 to be raised, levied and collected in each year during the period of twenty years by an annual special rate sufficient therefor to be levied on the whole rateable property in the said municipality.

This by-law shall come in force and take effect on the passing thereof.

(Signed)

W. W. SANDS,
City Clerk.

House of Providence objecting to Sydenham Hospital being used as a barracks.

Moved by Ald. O'Connor, seconded by Ald. Sargent (2) that this Council having learned of a proposal to put Sydenham Hospital to some other use than that for which it was prepared during the war, desires to record its conviction that this site should be reserved exclusively for residential purposes;

That the locality is one of the best residential sections of the city, and that the use of this site for institutional purposes of any kind would be most unjust to citizens in the neighborhood, and would also prove disadvantageous to all taxpayers in the municipality by its depreciation of taxable values in the vicinity, which would all be adversely affected;

That all citizens are interested in the maintenance and improvement of the western water front free from disfigurement or objectionable use, and that now, when the passage of time has rendered the site no longer necessary for its original war purpose, this Council should take what action it can to improve and beautify the locality;

That in the interests of health also it is urgently desirable to avoid any additional pollution of the waters in this part of the harbour, and that the question of drainage must be very seriously considered;

That for the above and other reasons this Council protests against the proposals which have been made;

And that a copy of this resolution be transmitted to the Hon. George P. Graham, Minister of Militia, a copy to Major-General Elmsley, Officer Commanding the Military District, and a copy to the member for Kingston.—Carried.

Fire and Light.

Ald. O'Connor presented report No. 14 from the Committee on Fire and Light as follows:

Kingston, Feb. 6th, 1923.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Committee on Fire and Light begs leave to report and recommend as follows:

1. Engineer Way's report on the Chatham engine:

Kingston, Jan. 27th, 1923.

I have examined the Chatham engine and find:

The boiler is worn out and past repair for service as a fire engine. With a new boiler properly connected it would operate to about two-thirds of its capacity.

To put in first-class order:

The pistons and pump rods and valve stems to be turned parallel.

Stuffing boxes and glands bushed to suit same.

Feed pumps to be treated in same manner.

The crank brasses or link blocks to be renewed.

The piston heads fitted with new rings.

The slide valves and valve seats to be trued up.

The bearings of the crank shaft should be refiled and polished, and clearance or oil pockets cut in the journals, both top and bottom of the crank shaft.

The lever and connections that control the exhaust to be renewed.

The front axle to be straightened.

The front spring to be strengthened by adding one leaf.

The king bolt to be turned true.

The socket to be re-bored and bushed to suit the pin.

(Signed) W. H. WAY.

2. That tenders be called for repairs as named in W. H. Way's report.

3. That the following lights be installed:

Arc lamps:

Garrett street, near Division street.

Alfred street, between Earl and Johnson street.

King street, near Pembroke street.

Frontenac street, between Johnson and Earl streets.

Tungsten lights:

Toronto street, south of Earl street.

Three on Regent street, south of present tungsten.

4. That the following hydrants be installed:

Two on Victoria street, between Earl and Union streets.

One on Russell street, 400 feet east of Division street.

One on Montreal street, north of C. P. R. tracks.

One on Johnson street, between Sydenham and Bagot streets.

One on Ellerbeck avenue, near Davidson street.

5. That M. Susman be permitted to remodel his building

on Queen street by building a solid concrete 9-inch wall all around it, leaving sufficient studding to support the structure.

A by-law to repeal By-law No. 7, 1923.

Passed Feb. 12th, 1923.

BE IT ENACTED by the Council of the Corporation of the City of Kingston as follows:

1. By-law No. 7, 1923, is hereby repealed.

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L. S.]

Ald. Peters presented By-law No. 9, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Kidd in the chair, and was signed and sealed as follows:

BY-LAW NO. 9, 1923.

A by-law to raise by way of loan on the credit of debentures of the municipality of the City of Kingston the sum of \$175,000 for the establishment and erection of an Isolation Hospital in the said city.

Passed February 12th, 1923.

WHEREAS the Municipal Council of the Corporation of the City of Kingston deem it necessary and expedient to establish and erect an Isolation Hospital in the said municipality for the reception and care of persons suffering from any communicable disease, and for such purpose to raise the sum of \$175,000 by way of loan in the manner hereinafter provided.

AND WHEREAS the amount of the debt to be created by this by-law is \$175,000.

AND WHEREAS the total amount required to be raised annually by special rate on all ratable property of the municipality for paying the said debt and interest as hereinafter provided is \$15,505.

AND WHEREAS the amount of the whole ratable property of the said municipality, according to the last revised assessment roll of the said municipality, being for the year 1922, is \$16,088,200.

AND WHEREAS the amount of the existing debenture debt of the said municipality, exclusive of the Local Improvement debts, secured by special rates or assessments, is \$1,772,857.99, and no part of the same or of the interest thereon is in arrear.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said corporation, for the purposes aforesaid, to raise by way of loan upon the

credit of the corporation by the issue of debentures hereinafter mentioned, from any person or persons, body or bodies corporate who may be willing to advance the same, a sum of money not exceeding in the whole the said sum of \$175,000 and to cause the same to be paid into the hands of the Treasurer of the said corporation for the purposes aforesaid.

2. It shall be lawful for the said Mayor for the purpose of said loan, to cause any number of debentures to be made for such sums of money as may be required, not less than one hundred dollars each, which said debentures shall be sealed with the seal of the said municipality and signed by the said Mayor and countersigned by the said Treasurer, and together shall not exceed the sum of \$175,000.

3. The said debentures shall be dated first January, 1923, and shall be payable on the first day of January, 1943, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of five and a half per cent. per annum from the first day of January, 1923, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer, in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer, whose signature may be written, stamped, lithographed or engraved.

5. There shall be raised annually during twenty years, the currency of the said debentures, the sum of \$9,625 for the payment of the interest thereon, and the sum of \$5,860 to form a sinking fund for the payment of the said debt, the said sums making together the annual amount of \$15,505 to be raised, levied and collected in each year during the period of twenty years by an annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

This by-law shall come in force and take effect on the passing thereof.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L. S.]

Ald. O'Connor presented By-law No. 10, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Kent in the chair, and was signed and sealed as follows:

BY-LAW NO. 10, 1923.

A by-law to amend By-law No. 3 of the Consolidated By-laws.

Passed February 12th, 1923.

BE IT ENACTED by the Council of the corporation of the city of Kingston as follows:

Section 25, By-law No. 5 of the Consolidated By-laws, is hereby amended by adding thereto the following paragraph as part of said Section 25, "On the approach of any vehicle or apparatus of the fire department or the police department of the city of Kingston, answering to an emergency call and sounding a siren or bell, the driver of any vehicle other than a vehicle of the aforesaid departments, or an ambulance of any hospital on an emergency call, shall immediately drive as close as possible to the right hand curb and stop, and shall not follow after the said vehicle or apparatus until the same shall be at least 300 feet away. No vehicle except by direction of the Chief of the fire department shall approach or park within 600 feet of any fire apparatus responding to any emergency call after the said fire apparatus shall have come to a stop.

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

BY-LAWS.

Ald. Sargent presented By-law No. 11, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Laturney in the chair, and was signed and sealed as follows:

BY-LAW NO. 11, 1923

For entering into an agreement with the Canadian Pacific Railway Company as to the construction of a sewer under the tracks and across the lands of the said Canadian Pacific Railway Company.

WHEREAS it is expedient to enter into an agreement with the Canadian Pacific Railway Company for the laying and maintaining of a sewer under the tracks and across the lands of the said company at a point 400 feet more or less south of the crossing of Montreal street, in the city of Kingston, with the lands of the said Canadian Pacific Railway Company.

AND WHEREAS a draft copy of the proposed agreement is hereunto annexed.

BE IT THEREFORE ENACTED by the Municipal Council of the Corporation of the city of Kingston:

1. That the entering into of the proposed agreement is hereby approved and authorized.

2. That the Mayor and Clerk be and they are hereby authorized and directed to sign the engrossment of the said proposed agreement and to affix to it the Corporate Seal of the municipality.

Passed this 26th day of February, A.D. 1923.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

THIS AGREEMENT made in duplicate the 26th day of February, A.D. 1923.

BETWEEN:

THE CORPORATION OF THE CITY OF KINGSTON,
hereinafter called the "City,"

Of the First Part;

and

CANADIAN PACIFIC RAILWAY COMPANY,

hereinafter called the "Company,"

Of the Second Part.

WHEREAS the city is desirous of laying a four-foot corrugated iron pipe sewer encased in concrete under the tracks and across the lands of the Company four hundred feet (400') more or less south of the crossing of Montreal street and the Company's lands in the said city of Kingston, according to the location shown on and according to plan and profile respectively prepared by H. S. Dick and dated at Kingston, Ontario, January 29th, 1923, hereto attached and marked "A" and "B" respectively.

AND WHEREAS the Company consent thereto on the terms, covenants, provisos and conditions hereinafter mentioned.

NOW, THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the sum of one dollar of lawful money of Canada paid by the city to the company and the covenants by the city hereinafter contained, the company grants to the city permission to lay and construct under its tracks and across its lands at a point four hundred feet more or less south of the crossing of Montreal street, in the said city of Kingston, and the company's lands, four foot corrugated iron pipe sewer encased in concrete in the location of the construction and in the manner indicated on plan and profile respectively prepared by H. S. Dick, and dated at Kingston, Ontario, January 29th, 1923, attached hereto and marked respectively "A" and "B" and thereafter maintain the said sewer.

The said sewer shall be laid, constructed, and thereafter and at all times maintained in accordance with the rules and regulations now made or which may hereafter be made by the Board of Railway Commissioners for Canada and to the satisfaction and subject to the approval of the General Superintendent of the Company at Toronto, provided, however, that the approval by the said General Superintendent shall not relieve the city from any responsibility or liability under any of the clauses of this agreement. The said laying, constructing and maintaining shall be done by and at the sole cost and expense of the city, and the city will indemnify and save harmless the company from all costs and expenses caused or incurred to or by it, and from all claims for damages to person or property arising directly or indirectly out of the laying, construction, maintenance or existence of the said sewer, and whether caused by the negligence of the company, its officers, employees or servants, or otherwise howsoever, the intent being that the company shall be at no expense at which it would not have been had the said sewer not existed.

The city by its agent, servants and employees will do all work in connection with the laying, maintaining and repairing of the said sewer without any interference directly or indirectly with the movement of the company's trains or equipment, the intent being that the company shall at all times be able to move its said trains and equipment over the said lands as if said sewer were not laid or being laid thereunder.

The city shall, by its agent, servants and employees have the right for the purpose of doing the necessary work in connection with the said sewer to enter upon and leave the lands of the company at such times and at such points as may be from time to time designated by the said General Superintendent, or by an officer of the company by him duly appointed, and the city will indemnify and save harmless the company from any claims by any persons whomsoever arising out of injuries (including injuries resulting in death) to any of its said agents, servants, or employees received while on the company's lands, whether such injuries be caused by the negligence of the company, its officers, agents, servants or employees or otherwise howsoever.

The city will indemnify and save harmless the company from all claims for injuries (including injuries resulting in death) to any employee of the company (including claims under the Workmen's Compensation Act or similar Acts) which but for the laying, construction, maintenance or existence of the said sewer would not have occurred, whether such injuries be caused by the negligence of the company, its officers, agents, servants or employees or otherwise howsoever.

The city will reimburse the company within thirty (30) days after receipt by it of accounts thereof for all costs and expenses incurred by the company directly or indirectly arising out of the said laying, constructing and maintaining or existence of the said sewer and without limiting the generality of the foregoing for all costs (including costs of material, overhead expense and supervision) incurred by the company in shoring up or otherwise maintaining or protecting its tracks as may be considered necessary or advisable by the company on account of the said laying, construction, maintenance, or existence of the said sewer, and will reimburse the company for all damage caused to its lands, locomotives, cars, tracks or other property or equipment by or resulting from the said laying, construction, maintenance or existence of the said sewer, whether resulting from the negligence of the company, its officers, agents, employees or servants or otherwise howsoever.

All accounts rendered by the company to the city certified by its District Engineer at Toronto shall be paid by the city within thirty (30) days from the receipt by it of the said accounts, and the certificate of the said Engineer as to the correctness of the said accounts shall be final and conclusive as

against the city, and the amounts of the said accounts, or any of them, if unpaid within the said thirty (30) days shall be recoverable by the company from the city in any court of competent jurisdiction.

In the event of the Company changing the location of its tracks or any of its tracks, or the purpose for which any of the said tracks are at present used by the company, the city will upon the request of the company make at the city's own cost and expense such changes in the location or construction of the said sewer as may be necessary or required by the company, and all covenants on the part of the city herein as to the said sewer and matters arising out of its laying, construction, maintenance or existence shall apply to the said sewer as so changed in location or construction.

In the event of the company being required or permitted by the Board of Railway Commissioners for Canada, or any other body with like powers, to alter the grade of its or any of its tracks now laid or which may hereafter be laid on the lands across which the said sewer is to be laid and constructed or to do work of any nature in connection with the change of the location or elevation of the said tracks the city will reimburse the company for all expenditures, costs or charges made necessary or in the opinion of the company advisable, which but for the existence of the said sewer would not have been required or incurred.

The agreement shall enure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF the parties hereto have hereunto set their Corporate Seals under the hands of their duly authorized officers below named.

Board of Works.

Ald. Sargent presented report No. 21 from the Board of Works as follows:

Kingston, March 7th, 1923.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Board of Works begs leave to report and recommend as follows:

1. That an agreement be made with the Street Railway in regard to paving King street from William to West streets on the following basis:

As a basis of an agreement would suggest that you follow By-law No. 10, 1922, with probably the following changes: That clause 6 be struck out, that clause 7 be struck out, that clause 8 be struck out, and that the following additions be made: The Company to have the right to pave under the Local Improvement Plan if the Municipal Act so permits. The Corporation to construct a drain direct to the sewer underneath the switch to be placed between William and Earl. The sandstone blocks to be ready for shipment before present single track is excavated. All blocks placed against the rail to be cut on the job. The cost of moving the present tracks to the side of the street and the maintaining of same while the new track is being constructed, together with the cost of making the connections at William and West streets, to be borne by the Corporation. The protection of the whole work as to suitable crossings, barrier and lights to be the responsibility of the

Corporation. The work to be completed by the 15th of June, and if this is not possible to be undertaken after Labor Day of this year. We do not intend reconstructing any further tracks to meet paving conditions, but agree heartily with you that King street should be paved, as it will complete the last link in the downtown pavements. There may be some further detail, but would suggest that a draft agreement be submitted for our consideration.

(Signed)

HUGH C. NICKLE,

General Superintendent.

P.S.—Metal poles would improve the appearance of the street, but their installation is a matter of more concern to the Corporation than to the Company.

2. That the petition for a concrete walk on Johnson street, north side, from Macdonell street westerly, be granted, being sufficiently signed.

3. That the following tenders be awarded, being the lowest:

Asphalt—Imperial Oil Co., \$24.49 per ton, F.O.B. Kingston.

Castings (manhole and light hole covers, street grates and gateway approaches)—T. G. Bishop, \$4.80 per 100 lbs.

Crushed Limestone—Roddy & Monk, \$12.00 per toise delivered, and \$9.60 per toise at quarry.

Cement—William Drury, \$3.29 per bbl., including government sales tax and subject to any increase in freight rates.

Hardware—Wm. Cockburn.

Limestone dust—Crushed Stone Ltd., \$4.90 per ton, F.O.B. Kirkfield, and sales tax.

Rubble stone—Roddy & Monk, \$8.00 per toise delivered.

Sewer pipe—Clay Products Agency.

Street watering—John Lemmon, \$40c per hour for teams, 37½ per hour for single horses.

Sand—R. J. McClelland, \$1.60 per cubic yard, delivered.

Lumber to be purchased in the open market.

Civic Budget

Ald. O'Connor presented the Budget for 1923 as follows:

Civic Budget, 1923

Committee Rooms, City Hall,

Kingston, March 22nd, 1923.

The Committee on Finance and Accounts, in submitting the estimates for the year 1923 beg leave to report as follows:

The bonded debt of the City to 31st December, 1922, is \$2,183,848.67, made up as follows:

Water Works	\$ 88,900.00
Light Works	553,841 85

SCHOOLS:—

Public	\$ 246,924.87
High	58,050 00
	304,974 87

LOCAL IMPROVEMENTS:—

Corporation's Portion	\$ 440,871 23
Owner's Portion	390,990 68
	831,861 91
General Purposes	404,270 04
	\$2,183,848 67

The above debt will be increased this year by authorized
Debenture Issues amounting to\$ 346,627 80

The amount of the Sinking Fund is \$550,255.90 and of this amount \$522,542.94 is invested in Government and Municipal Debentures and \$27,712.96 is on deposit in the Bank.

The amount to be levied for the Sinking Funds this year is \$86,233.41, the parties specially benefited paying \$34,994.11 and the City generally paying \$51,239.30.

The principal item of increase in expenditure this year is about \$30,000 on account of Debentures and Interest, \$15,500 of which is for Isolation Hospital Issue and the balance mainly for pavements.

As the increase in the Assessment only yields an additional revenue of \$14,000, your Committee has been obliged to keep the various appropriations about the same as last year so that the increase in the tax rate will not exceed 1 mill.

Your Committee recommends that a rate of 23 37-100 mills for general purposes and 12 63-100 mills for educational purposes, making in all 36 mills on the dollar, be placed on this year's ordinary assessment, and also that a rate of 1 mill on the dollar for the collection and disposal of garbage be imposed on the assessment liable therefor.

MEMORANDUM OF AGREEMENT made this 26th day of March, 1923.

BETWEEN:

THE CORPORATION OF THE CITY OF KINGSTON,
hereinafter called the Corporation,
Of the First Part,
AND

THE KINGSTON, PORTSMOUTH AND CATARAQUI
ELECTRIC RAILWAY COMPANY,

hereinafter called the Company,
Of the Second Part.

WITNESSETH:

The Corporation agrees with the Company to pave that part of King street running from William street to West street.

That the Company agrees with the Corporation to reconstruct the track now on said part of said street.

NOW THIS AGREEMENT WITNESSETH that the parties hereto covenant, promise and agree each with the other of them as follows:

1. The Company shall reconstruct the track or tracks being at present along the said street, subject to the terms of this agreement, and shall maintain and operate the said reconstructed track or tracks in accordance with and subject to the provisions of the existing contracts between the parties hereto relating to said railway.

2. The Corporation shall begin the construction of said pavement as soon as necessary preparations can be made and in

time to complete the said construction on or before the 15th of June, 1923. Provided, however, that if the Corporation or the Company are unable to make delivery contracts of the necessary materials that will permit the completion of said construction on or before the 15th day of June next, the time of said construction shall be postponed until immediately after Labor Day, and said construction shall be completed on or before the 15th day of November next.

3. The Company shall remove the said track or tracks after excavation by the Corporation to the side of said street, and shall maintain its traffic thereon while said new tracks are being laid, the cost of moving and maintaining the present track or tracks during said reconstruction, together with the cost of making the connections with the present track or tracks at the corners of William and West streets shall be borne by the Corporation.

4. The Corporation shall at its expense excavate, grade, drain and lay base for the said new tracks, and do all tamping, lining and surfacing and instal a drain under the switch between Earl and William streets, connecting the same (direct) with the sewer.

5. The Company shall at its expense furnish new 5 $\frac{3}{8}$ inch 90 lb. T-rails Asce section, oak ties at the joints, and all other track material to be satisfactory to the engineer of the Corporation, and shall at its expense lay the said tracks on the base constructed by the Corporation in a manner satisfactory to the said Engineer, and in accordance with the specifications prepared by F. W. Graves, which is hereto annexed marked "A," and which shall form part of this agreement. The Corporation shall at its expense furnish the necessary protection at crossings and intersections and upon the work generally until completion and shall provide watchmen and otherwise take the necessary steps to safeguard and protect the public.

6. The paving surface between the rails and between the tracks and for 18 inches outside of the outside rails of the Company's tracks on said parts of said streets shall be of an approved block type of granite or nepean sandstone, and the Corporation shall construct same in a manner satisfactory to the Company, and in accordance with the specification submitted by F. W. Graves, which is hereto annexed, and shall form part of this agreement. Should any dispute arise between the Company and the Corporation as to the construction of

tion, removal and disposal of garbage, and other refuse throughout the whole municipality.

Passed March 26th, 1923.

WHEREAS By-law No. 42, 1915 (A "By-law to provide for the collection, removal and disposal of garbage and other refuse"), was passed by the Council of the Corporation of the City of Kingston, September 15th, 1915;

AND WHEREAS Section 19 of the said by-law provides as follows:

"19. The expense of the collection, removal and disposal by the Corporation of said garbage and other refuse throughout the whole municipality shall be borne by the owners and occupants of the land therein, and an annual special rate shall be imposed upon such land according to its assessable value, sufficient to defray the expense of such collection, removal and disposal, and no land within the municipality shall be exempt from the said annual special rate, anything in general or special Act or any by-law to the contrary notwithstanding. The said annual special rate shall be placed upon the Collector's Roll during the year in which the same is to be collected, and shall be collected in like manner and at the same time as all other municipal taxes."

AND WHEREAS it will require an annual special rate of one mill on the dollar on the assessed value of the land within the municipality of the City of Kingston to defray the expenses of the collection, removal and disposal by the Corporation of garbage and other refuse throughout the whole municipality.

AND WHEREAS the assessed value of the said land as stated in the revised and adopted assessment roll of the said municipality for the year 1923 amounts to \$18,000,000;

BE IT THEREFORE ENACTED by the Council of the Corporation of the city of Kingston as follows:

1. The sum of \$18,000 required to defray the expense of the collection, removal and disposal by the Corporation of garbage and other refuse throughout the whole municipality of the City of Kingston shall be raised by the levy of a special rate, "The Garbage, etc., rate" of one (1) mill on the dollar

upon the whole assessed value of the land within the said municipality, which rate shall be in addition to all other rates for which the said land is and shall be liable.

2. The City Clerk shall place upon the Collector's Roll opposite the several names of the persons assessable the amounts assessable against the said land in respect of such special rate.

3. The said amounts shall be payable in each year to the Collector of the municipal taxes of the city of Kingston, who is hereby authorized to collect the said amounts at the same time, in the same manner, and with like remedies as ordinary taxes upon real estate are collectible, and under the provisions of the Assessment Act.

4. That the amount collected from the said date shall be expended in defraying the expense of the collection, removal and disposal by the Corporation of said garbage and other refuse, and not otherwise.

This by-law shall come in force and take effect on the passing thereof.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

Ald. O'Connor presented By-law No. 15, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Peters in the chair, and was signed and sealed as follows:

BY-LAW NO. 15, 1923

A by-law to levy a tax of 36 mills on the dollar upon the assessed value of the ratable property in the city of Kingston for the lawful purpose of the municipality for the year 1923.

Passed March 26th, A.D. 1923.

WHEREAS for the year 1923 there are required for the lawful purpose of the municipality of the City of Kingston, as hereinafter specified, the following named sums of money estimated by and to the Council of the said municipality, to be raised by the levy of the several rates hereinafter mentioned respectively amounting to the rate of 36 mills on the dollar upon the assessed value of the ratable property in the said municipality, and which in the revised and adopted assessment rolls and the supplementary rolls for the year 1923 amounts to the sum of \$16,627,644 current money of Canada, which rate of 36 mills on the dollar is in respect of the ratable property in the said municipality liable to be assessed for the Roman Catholic Separate School rate, inclusive of the rate hereinafter directed to be levied upon the ratable property liable thereto, and which rate of 36 mills on the dollar also includes the rate for the sum required for the Public School purposes for said year, to be levied on the property liable thereto as hereinafter provided.

BE IT THEREFORE ENACTED by the Council of the Corporation of the City of Kingston:

1. That the sum of \$23,336 required to pay the annual interest and the payment of the principal on the debentures issued under the provisions of "The City of Kingston Debt Arrangement Act, 1887," shall be raised by the levy of a rate, "The Debt Arrangement Loan Rate," of 140/100 mills on the dollar upon the whole assessed value of all ratable property in said municipality.

2. The sum of \$41,047, 32/100 required to pay the annual interest on and the annual payment on account of the loan and bonus debentures and not provided for under Section 1 of this by-law, shall be raised by the levy of a rate of 2 47/100 mills on the dollar upon the whole assessed value of all the ratable property in the said municipality.

3. The sum of \$48,798,65/100 required for High School purposes as estimated to the said Council by the Board of Edu-

cation, and to pay the annual payment and interest on account of High School debentures of the said municipality shall be levied by a rate of 2 94/100 mills on the dollar upon the whole of the assessed value of all the ratable property in the said municipality as aforesaid.

4. The sum of \$115,767.00/100 required for Public School purposes of the said municipality as estimated to the said Council raised by the levy of a rate of 8.19/100 mills on the dollar upon the assessed value of the ratable property in the said municipality assessable and liable to be raised for a public school rate, said assessed value being \$14,133,151.

5. The sum of \$21,165.80/100 required to pay the annual interest on and the annual payment on account of the public school debentures of the said municipality, shall be raised by a levy of a rate of 1.50/100 mills on the dollar upon the said assessed value of the ratable property in the said municipality assessed and liable to be raised for a public school rate, said assessed value being \$14,133,151.

6. There shall also be levied on the ratable property in the said municipality liable thereto, the assessed value of which amounts to \$2,494,493, a rate of 9.69/100 mills on the dollar imposed on the said property by the Board of Trustees of the Roman Catholic Separate School of the said municipality for the purposes of the said Separate School for the current year, and the last mentioned rate shall be levied and collected by the collectors appointed to collect the municipal rates and taxes of the said municipality at the time and as provided by law.

7. The sum of \$65,427.42/100 required to pay the annual interest on and provide the annual sum required for the sinking fund for the debentures of the said municipality issued for the purposes of raising loans for the amount of the cost of the several local improvement works in the said municipality to be borne and paid by the said municipality at large shall be raised by the levy of a rate of 3.93/100 mills on the dollar on the whole of the said assessed value of all ratable property in said municipality as aforesaid.

8. The sum of \$258,881.35/100 required for the general purposes and expenditure of the said municipality for the current year shall be raised by the levy of a rate of 15.57/100 mills on the dollar upon the whole of the assessed value of all the ratable property in the said municipality as aforesaid.

9. The said several rates of 1.40/100, 2.47/100, 2.94/100, 3.93/100 and 15.57/100 mills on the dollar to be levied upon the whole of the assessed value of the ratable property in the said municipality and the said several rates of 8.19/100 and 1.50/100 mills on the dollar to be levied upon the said assessed value of all the property in the said municipality assessable and liable to be rated for a Public School rate, and the said rate of 9.69/100 mills on the dollar to be levied on the assessed value of all the property in said municipality assessable and liable to be rated for the said Roman Catholic Separate School rate (together amounting to 36 mills on the dollar upon the assessed value of the property upon and in respect of which the said several rates are to be levied respectively), shall be levied and collected at one and the same time as provided by law by the collector appointed to collect the municipal rates and taxes of the said municipality.

10. The City Clerk shall prepare and deliver to the said collector the collector's rolls of the said municipality for the said year, and prepare according to law on or before the first day of May, 1923.

This by-law shall come in force and take effect on its passing.

BY-LAW NO. 16, 1923.

A by-law to raise by way of loan the sum of \$102,288.84 by the issue of debentures to meet the cost of construction of asphalt pavement, etc., on those portions of the streets of the city of Kingston mentioned in the schedules annexed to this by-law.

Passed April 9th, 1923.

WHEREAS in the opinion of two-thirds of all the members of the Council of the corporation of the city of Kingston it was desirable in the public interest to construct asphalt pavements as local improvements on the several portions of streets mentioned and described in column one of the Schedule "A" hereto annexed and by the requisite affirmative vote of three-fourths of the members of said Council, to provide from the general funds of the municipality forty per cent. of that portion of the cost of the construction of the said pavement falling on the property benefited in addition to the part of such cost to be provided by the municipality and to add said forty per cent. to the said part of the cost of construction of the said roadway to be provided by the municipality and to issue debentures for the amount thus obtained.

AND WHEREAS before proceeding with the work the necessary private drain connections from the main sewer to the street line and the necessary water and gas mains, service pipes and stop cocks were made and laid as set out in schedule "B," the cost of which is to be assessed only upon the particular lot to serve which it was constructed or effected.

AND WHEREAS the said pavements and private branch drains, water and gas mains were duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said works have been fully completed, and that a special assessment roll has been prepared by the City Engineer pursuant to the by-law in that behalf, showing the cost of the said works and making an assessment therefor upon the several lots abutting directly

on the works, and it has been certified that the period of ten years is the probable life of the said works.

AND WHEREAS the assessed value of the whole real property ratable in respect of said several improvements as ascertained and finally determined is the amount mentioned in the eighth column of the said schedule "A" opposite the said several works as described in the first column of said schedule.

AND WHEREAS the total cost of the said several improvements is as mentioned in the second column of the said schedule, and the corporation's portion of such cost is as mentioned in the third column of the said schedule, and the portion of such cost chargeable against the several lots abutting directly on the works is as mentioned in the fourth column of the said schedule opposite the said several works as described in the first column of said schedule.

AND WHEREAS the number of feet frontage of the lots chargeable in case of each of such local improvement works is as set down in the fifth column of said schedule, and the cost per foot frontage chargeable against the lots chargeable in respect of each such work is as set down in the sixth column of said schedule opposite each such work as described in the first column of said schedule, and the annual rate per foot frontage to be levied in each year for the period of ten years upon the several lots abutting directly upon and chargeable in respect of each such work is as set down in the seventh column of the said schedule opposite each and such work as described in the first column of said schedule, and the said schedule is in all these particulars the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of each of the said several works.

AND WHEREAS the sum of \$102,288.84 being the total cost of all the said works is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances, it is expedient to raise the said sum of \$102,288.84 by the issue of debentures of the said city of Kingston, the principal to be payable in ten years from the first day of January, 1923, as hereinafter provided.

AND WHEREAS it will require the sum of \$9,136.52 raised annually for a period of ten years to pay the sum of

\$66,063.06 (being the corporation's portion of said cost of the said works) and interest at the rate of $5\frac{1}{2}\%$ per annum, payable half-yearly, and it will require the sum of \$5,010.02 raised annually for a period of ten years to pay the sum of \$36,225.78 (being the property owners' portion of the said cost of the said works) and interest at the said rate, payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,627,600, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts secured by special acts, rates or assessment, is the sum of \$1,792,857.99, of which neither principal nor interest is in arrears.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same upon the credit of the corporation by the issue of the debentures hereinafter mentioned the sum of \$102,288.84 and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required not less than \$100 each and not exceeding in the whole the said sum of \$102,288.84, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of \$102,288.84 by way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated first January, 1923, and shall be payable on the first day of January, 1933, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of $5\frac{1}{2}\%$ per annum, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of \$66,063.06, being the corporation's portion of the cost of the said several works as described in column one of the schedule hereto annexed, there shall be raised annually during the currency of the debentures the sum of \$3,633.47 for the interest thereon, and the sum of \$5,503.05 to form a sinking fund for the payment of the said debt, the said sum making together the annual amount of \$9,136.52 to be raised, levied and collected in each year during the said period of years by annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of \$36,225.78 being the owner's portion of the cost of the said several works as described in column one of schedule "A" and set out in schedule "B" hereto annexed, there shall be raised annually during the currency of the said debentures the sum of \$1,992.41 for the payment of the interest thereon and the sum of \$3,017.61 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of \$5,010.02. For the payment of the owners' portion of the cost, \$36,225.78 and the interest thereon, the several special assessments set forth in the said Special Assessment Rolls and in the schedules hereto annexed, as hereby imposed upon the lands liable therefor as therein severally set forth, which said annual assessments, with a sum sufficient to cover the interest thereon at the rate aforesaid, shall be payable in ten (10) equal annual instalments as severally set forth in column 7 of schedule "A" and in column 6 of schedule "B," and for that purpose the special annual rate per foot frontage set forth in schedule "A" and the special annual rate per foot frontage of lot as set forth in schedule "B," hereto annexed as hereby imposed upon the lots entered in the said Special Assessment Roll and schedule "A," according to the assessed frontage thereof and as set out in schedule "B" over and above all other rates and taxes, which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

7. The said debentures shall be sold and the proceeds thereof shall be applied in paying and discharging the temporary loan or debt incurred in and for the construction of the said works and in no other way and for no other purpose whatever.

8. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may

commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debentures shall be issued, and no commutation shall be permitted, and the lands of persons commuting shall not be subject to the said special rate, and the amounts of the said debentures shall be reduced by the amount paid as commutation.

9. This by-law shall come in force and take effect on its passing.

Ald. Milne presented By-law No. 17, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Price in the chair, and was signed and sealed as follows:

BY-LAW NO. 17, 1923.

A by-law to raise by way of loan the sum of \$1,990.61 by the issue of debentures to meet the cost of construction of macadam roadway, etc., on Johnson street from Victoria street to Macdonell street, in the city of Kingston.

Passed April 9th, 1923.

WHEREAS in the opinion of two-thirds of all the members of the Council of the corporation of the city of Kingston it was desirable in the public interest to construct a macadam roadway as local improvement on the aforesaid street, and by the requisite affirmative vote of three-fourths of the members of said Council, to provide from the general funds of the municipality forty per cent. of that portion of the cost of the construction of the said roadway falling on the property benefited in addition to the part of such cost to be provided by the municipality and to add said forty per cent. to the said part of the cost of construction of the said roadway to be provided by the municipality and to issue debentures for the amount thus obtained.

AND WHEREAS the said roadways were duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said works have been fully completed, and that a special assessment roll has been prepared by the City Engineer pursuant to the by-law in that behalf, showing the cost of the said work and making an assessment therefor upon the several lots abutting directly on the works, and it has been certified that the period of five years is the probable life of the said works.

AND WHEREAS the assessed value of the whole real property ratable in respect of said improvement as ascertained and finally determined is \$15,738.00.

AND WHEREAS the total cost of the said improvement is \$1,990.61, and the corporation's portion of such cost is

\$1,077.85, and the portion of such cost chargeable against the several lots abutting directly on the works is \$912.76.

AND WHEREAS the number of feet frontage of the lots chargeable for such local improvement work is 906.5 and the cost per foot frontage chargeable against the lots liable in respect of such work is \$1,007 and the annual rate per foot frontage to be levied in each year for the period of five years upon the several lots abutting directly upon and chargeable in respect of such work is 24.13 cents and the particulars of such work as above set forth are the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of said work.

AND WHEREAS the sum of \$1,990.61 being the total cost of all the said works is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances, it is expedient to raise the said sum of \$1,990.61 by the issue of debentures of the said city of Kingston, the principal to be payable in five years from the first day of January, 1923, as hereinafter provided.

AND WHEREAS it will require the sum of \$258.28 raised annually for a period of five years to pay the sum of \$1,077.85 (being the corporation's portion of said cost of the said works) and interest at the rate of $5\frac{1}{2}\%$ per annum payable half-yearly, and it will require the sum of \$218.70 raised annually for a period of five years to pay the sum of \$912.76 (being the property owners' portion of the said cost of the said works) and interest at the said rate, payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,627,600, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts, secured by special acts, rates or assessments, is the sum of \$1,792,857.99, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies cor-

porate, who may be willing to lend the same upon the credit of the corporation by the issue of the debentures hereinafter mentioned the sum of \$1,990.61, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required, not less than \$100 each and not exceeding in the whole the said sum of \$1,990.61, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of \$1,990.61 by way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated first January, 1923, and shall be payable on the first day of January, 1928, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of $5\frac{1}{2}\%$ per annum, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of \$1,077.85 being the corporation's portion of the cost of the said work, there shall be raised annually during the currency of the debentures the sum of \$59.28 for the interest thereon, and the sum of \$199.00 to form a sinking fund for the payment of the said debt, the said sum making together the annual amount of \$258.28 to be raised, levied and collected in each year during the said period of years by annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of \$912.76 being the owners' cost of the said work, there shall be raised annually during the currency of the said debentures the sum of \$50.20 for the payment of the interest thereon and the sum of \$168.50 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of \$218.70. For the payment of the owners' portion of the cost, \$912.76, and the interest thereon, the assessment set forth in the said Special Assessment Roll hereby imposed upon the lands liable therefor as therein set forth, which said annual assessments,

with a sum sufficient to cover the interest thereon at the rate aforesaid, shall be payable in five (5) equal annual instalments, and for that purpose an annual special rate of 24.13 cents per foot frontage is hereby imposed upon the lots abutting directly upon said work according to the assessed frontage thereof over and above all other rates and taxes which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

8. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements, as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debentures shall be issued, and no commutation shall be permitted, and the lands of persons commuting shall not be subject to the said special rate, and the amounts of the said debentures shall be reduced by the amount paid as commutation.

9. This by-law shall come in force and take effect on its passing.

AND WHEREAS the assessed value of the whole real property ratable in respect of said several improvements as ascertained and finally determined is the amount mentioned in the eighth column of the said schedule "A" opposite the said several works as described in the first column of said schedule.

AND WHEREAS the total cost of the said several improvements is as mentioned in the second column of the said schedule, and the corporation's portion of such cost is as mentioned in the third column of the said schedule, and the portion of such cost chargeable against the several lots abutting directly on the works is as mentioned in the fourth column of the said schedule opposite the said several works as described in the first column of said schedule.

AND WHEREAS the number of feet frontage of the lots chargeable in case of each of such local improvements works

is as set down in the fifth column of said schedule, and the cost per foot frontage chargeable against the lots chargeable in respect of each such work is as set down in the sixth column of said schedule opposite each such work as described in the first column of said schedule, and the annual rate per foot frontage to be levied in each year for the period of ten years upon the several lots abutting directly upon and chargeable in respect of each such work is as set down in the seventh column of the said schedule opposite each and such work as described in the first column of said schedule, and the said schedule is in all these particulars the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of each of the said several works.

AND WHEREAS the sum of \$11,777.28 being the total cost of all the said works, is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances, it is expedient to raise the said sum of \$11,777.28 by the issue of debentures of the said city of Kingston, the principal to be payable in ten years from the first day of January, 1923, as hereinafter provided.

AND WHEREAS it will require the sum of \$1,403.59 raised annually for a period of ten years to pay the sum of \$10,148.90 (being the corporation's portion of said cost of the said works) and interest at the rate of $5\frac{1}{2}\%$ per annum, payable half-yearly, and it will require the sum of \$225.20 annually for a period of ten years to pay the sum of \$1628.38 (being the property owners' portion of the said cost of the said works) and interest at the said rate, payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,627,600, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts, secured by special acts, rates or assessments, is the sum of \$1,792,857.99, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies

corporate, who may be willing to lend the same upon the credit of the corporation by the issue of the debentures hereinafter mentioned the sum of \$11,777.28 and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required, not less than \$100 each and not exceeding in the whole the said sum of \$11,777.28 and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of \$11,777.28 by way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated first January, 1923, and shall be payable on the first day of January, 1933, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of $5\frac{1}{2}\%$ per annum, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of \$10,148.90 being the corporation's portion of the cost of the said several works as described in column one of the schedule hereto annexed, there shall be raised annually during the currency of the debentures the sum of \$558.19 for the interest thereon, and the sum of \$845.40 to form a sinking fund for the payment of the said debt, the said sum making together the annual amount of \$1,403.59 to be raised, levied and collected in each year during the said period of years by annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of \$1628.38 being the owner's cost of the said several works as described in column one of schedule "A," hereto annexed, there shall be raised annually during the currency of the said debentures the sum of \$89.56 for the payment of the interest thereon and the sum of \$135.64 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount

of \$225.20. For the payment of the owners' portion of the cost, \$1628.28, and the interest thereon, the several special assessments set forth in the said Special Assessment Rolls and in the schedules hereto annexed, as hereby imposed upon the lands liable therefor as therein severally set forth, which said annual assessments, with a sum sufficient to cover the interest thereon at the rate aforesaid, shall be payable in ten (10) equal annual instalments as severally set forth in column 7 of schedule "A," and for that purpose the special annual rates per foot frontage set forth in schedule "A," hereto annexed, are hereby imposed upon the lots entered in the said special Assessment Roll and schedule "A," according to the assessed frontage thereof and over and above all other rates and taxes, which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

7. The said debentures shall be sold and the proceeds thereof shall be applied in paying and discharging the temporary loan or debt incurred in and for the construction of the said works and in no other way and for no other purpose whatever.

8. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debentures shall be issued, and no commutation shall be permitted and the lands of persons commuting shall not be subject to the said special rate, and the amounts of the said debentures shall be reduced by the amount paid as commutation.

9. This by-law shall come in force and take effect on its passing.

Ald. Kelly presented By-law No. 19, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Richardson in the chair, and was signed and sealed as follows:

BY-LAW NO. 19, 1923.

A by-law to raise by way of loan the sum of \$1,323.18 by the issue of debentures to meet the cost of construction of a macadam roadway on King street west from Ellerbeck street to city limits, in the city of Kingston.

Passed April 9th, 1923.

WHEREAS in the opinion of two-thirds of all the members of the Council of the corporation of the city of Kingston it was desirable in the public interest to construct a macadam roadway as local improvement on the aforesaid street and by the requisite affirmative vote of three-fourths of the members of said Council, to provide from the general funds of the municipality forty per cent. of that portion of the cost of the construction of the said roadway falling on the property benefited in addition to the part of such cost to be provided by the municipality and to add said forty per cent. to the said part of the cost of construction of the said roadway to be provided by the municipality and to issue debentures for the amount thus obtained.

AND WHEREAS the said roadway was duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said works have been fully completed, and that a special assessment roll has been prepared by the City Engineer pursuant to the by-law in that behalf showing the cost of the said works and making an assessment therefor upon the several lots abutting directly on the works, and it has been certified that the period of three years is the probable life of the said works.

AND WHEREAS the assessed value of the whole real property ratable in respect of said improvement as ascertained and finally determined is \$115,538.

AND WHEREAS the total cost of the said improvement is \$1,323.18, and the corporation's portion of such cost is

\$591.55, and the portion of such cost chargeable against the several lots abutting directly on the works is \$731.63.

AND WHEREAS the number of feet frontage of the lots chargeable for such local improvements work is 1415.5 and the cost per foot frontage chargeable against the lots liable in respect of such work is .516867 and the annual rate per foot frontage to be levied in each year for the period of three years upon the several lots abutting directly upon and chargeable in respect of such work is 19.4 cents and the particulars of such work as above set forth are the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of said work.

AND WHEREAS the sum of \$1,323.18 being the total cost of all the said works, is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances, it is expedient to raise the said sum of \$1,323.18 by the issue of debentures of the said city of Kingston, the principal to be payable in three years from the first day of January, 1923, as hereinafter provided.

AND WHEREAS it will require the sum of \$222.01 raised annually for a period of three years to pay the sum of \$591.55 (being the corporation's portion of said cost of the said works) and interest at the rate of $5\frac{1}{2}\%$ per annum, payable half-yearly, and it will require the sum of \$274.58 raised annually for a period of three years to pay the sum of \$731.63 (being the property owners' portion of the said cost of the said works) and interest at the said rate payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,627,600, and the amount of the existing debentures debt of the said city, exclusive of local improvement debts secured by special acts, rates or assessments, is the sum of \$1,792,857.99, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies

corporate, who may be willing to lend the same upon the credit of the corporation by the issue of debentures hereinafter mentioned the sum of \$1,323.18, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required, not less than \$100 each and not exceeding in the whole the said sum of \$1,323.18, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of \$1,323.18 by way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated first January, 1923, and shall be payable on the first day of January, 1923, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of $5\frac{1}{2}\%$ per annum, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of \$591.55 being the corporation's portion of the cost of the said work, there shall be raised annually during the currency of the debentures the sum of \$32.54 for interest thereon, and the sum of \$189.47 to form a sinking fund for the payment of the said debt, the said sums making together the annual amount of \$222.01 be raised, levied and collected in each year during the said period of years by annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of \$731.63, being the owners' cost of the said work, there shall be raised annually during the currency of the said debentures the sum of \$40.23 for the payment of the interest thereon and the sum of \$234.35 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of \$274.58. For the payment of the owners' portion of the cost, \$731.63, and the interest thereon, the assessments set forth in the said Special Assessment Rolls are hereby imposed upon

the lands liable therefor as therein set forth, which said annual assessments with a sum sufficient to cover the interest thereon at the rate aforesaid shall be payable in three (3) equal annual instalments, and for that purpose an annual special rate of 19.4 cents per foot frontage is hereby imposed upon the lots abutting directly upon said work according to the assessed frontage thereof over and above all other rates and taxes which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

7. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debenture shall be issued, and no commutation shall be permitted, and the lands of persons commuting shall not be subject to the said special rate, and the amounts of the said debentures shall be reduced by the amount paid as commutation.

8. This by-law shall come in force and take effect on its passing.

BY-LAWS.

Ald. Sargent presented By-law No. 20, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in

committee of the whole, Ald. Anglin in the chair, and was signed and sealed as follows:

BY-LAW NO. 20, 1923

A By-law to raise by way of loan the sum of \$41,223.78 by the issue of debentures to meet the cost of construction of sewers, concrete walks, concrete curbs and street extension in those portions of the streets of the city of Kingston mentioned in the schedule annexed to this by-law.

Passed April 23rd, 1923.

WHEREAS by a two-thirds vote of all the members of the Council of the corporation of the city of Kingston, due notice of the intention of the Council to undertake such works having been duly published, it was determined to construct the concrete walks mentioned and described in column one of Part 1 of the schedule hereto annexed as local improvements under the Local Improvement Act.

AND WHEREAS by a two-thirds vote of all the members of the council of the corporation of the city of Kingston, due notice of the intention of the Council to undertake such work having been duly published, it is determined to construct common sewers as local improvements under the said Act, on the portion of the streets mentioned and described in column one of Part II of the schedule hereto annexed.

AND WHEREAS the said several sewers and concrete walks were duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said respective works have been fully completed and a special assessment roll has been prepared by the City Engineer pursuant to the by-law in that behalf showing the cost of the said several works respectively and making an assessment therefor upon the several lots abutting directly on the respective works, and it has been certified that the period of twenty years is the probable life of each of the said several works.

AND WHEREAS the assessed value of the whole real property ratable in respect of the said several improvements

as ascertained and finally determined is the amount mentioned in the eighth column of the said schedule respectively opposite the said several works as described in the first column of said schedule.

AND WHEREAS the total cost of the said several improvements is as mentioned in the second column of the said schedule respectively and the corporation's portion of such cost is as mentioned in the third column of the said schedule respectively, and the portion of such cost chargeable against the several lots abutting directly on the work is as mentioned in the fourth column of the said schedule respectively opposite the said several works as described in the first column of said schedule.

AND WHEREAS the number of feet frontage of the lots chargeable in case of each of such local improvement works is as set down in the fifth column of said schedule and the cost per foot frontage chargeable against the lots chargeable in respect of each of such works is as set down in the sixth column of each such schedule respectively opposite each such work as described in the first column of said schedule, and the annual rate per foot frontage to be levied in each year for the period of twenty years upon the several lots abutting directly upon and chargeable in respect of each such work is as set down in the seventh column of the said schedule respectively opposite each such work as described in the first column of said schedule, and the said schedule is in all these particulars the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of each of the said several works.

AND WHEREAS the sum of \$41,223.78, being the total cost of the said works, is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances it is expedient to raise the said sum of \$41,223.78, by the issue of debentures of the said city of Kingston, the principal to be payable in twenty years from the first day of January, 1923, as hereinafter provided.

AND WHEREAS it will require the sum of \$1,363.85 to be raised annually for a period of twenty years to pay the sum of \$15,393.33 (being the corporation's portion of the said cost of the said works) and interest at the rate of 5½% per

annum payable half-yearly, and it will require the sum of \$2,288.57 raised annually for a period of twenty years to pay the sum of \$25,830.45 (being the property owners' portion of the said cost of the said works) and interest at the said rate payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,627,600 and the amount of the existing debenture debt of the said city, exclusive of local improvement debts, secured by special acts, rates or assessments, is the sum of \$1,792,857.99, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate who may be willing to lend the same upon the credit of the corporation by the issue of debentures hereinafter mentioned the sum of \$41,223.78 and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required, not less than \$100 each and not exceeding in the whole the said sum of \$41,223.78 and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of \$41,223.78 by the way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated first of January, 1923, and shall be payable on the first day of January, 1943, at the office of the Treasurer of the said city of Kingston in the said city.

4. The said debentures shall bear interest at the rate of $5\frac{1}{2}\%$ per annum, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of \$15,393.33 being the corporation's portion of the cost of the said several works as described in column one of the schedule hereto annexed there shall be raised annually during the currency of the debentures the sum of \$846.63 for the interest thereon and the sum of \$517.22 to form a sinking fund for the payment of the debt, the said sums making together the annual amount of \$1,363.85 to be raised, levied and collected in each year during the said period of twenty years by annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of \$25,830.45 being the owners' portion of the cost of the said several works as described in column one of the schedule hereto annexed there shall be raised annually during the currency of the said debentures the sum of \$1,420.67 for the payment of interest thereon, and the sum \$867.90 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of \$2,288.57. For the payment of the owners' portion of the cost \$25,830.45 and the annual interest thereon \$1,420.67 the several special assessments set forth in the said Special Assessment Rolls are hereby imposed upon the lands liable therefor as therein severally set forth, which said annual assessments with a sum sufficient to cover the interest thereon at the rate aforesaid shall be payable in twenty (20) equal annual instalments as severally set forth in column No. 7 opposite the said several works as described in column No. 1 of the said schedule hereto annexed, and for that purpose the equal annual special rate per foot frontage applicable to each work as set forth in column No. 7 is hereby imposed in the case of each of such works upon the lots abutting directly upon said works as described in column No. 1 of said schedule, according to the assessed frontage thereof, over and above all other rates and taxes, which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

7. The said debentures shall be sold and the proceeds thereof shall be applied in paying and discharging the temporary loan or debt incurred in and for the construction of the said works and in no other way and for no other purpose whatever.

8. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may

commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debentures shall be issued, and no commutation shall be permitted, and the lands of persons commuting shall not be subject to the said special rate, and the amount of the said debentures shall be reduced by the amount paid as commutation.

9. This by-law shall come in force and take effect on its passing.

Ald. Robertson presented By-law No. 22, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Chown in the chair, and was signed and sealed as follows:

BY-LAW NO. 22, 1923.

A By-law to construct a sewer on King street, in the city of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed April 23rd, 1923.

WHEREAS it is expedient that the construction of the work hereinafter described shall be undertaken as local im-

provement, and notice of the intention of the Council to undertake such work has been duly published:

AND WHEREAS the Provincial Board of Health has approved of the construction of the said sewer.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a nine-inch tile sewer on King street from Gore street northerly one hundred and fifty-three feet, in the city of Kingston, should be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared the said sewer be constructed on said street, in the city of Kingston, as a local improvement under the provisions of the Local Improvement Act.

3. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

4. That work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council, to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for the temporary advances of money to meet the cost of the work pending its completion.

7. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of the works).

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear in-

terest at a rate to be fixed by a money by-law to be hereafter passed by Council, and be made payable within twenty (20) years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is especially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sum as, when invested at four per cent. per annum, will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

Ald. Peters presented By-law No. 23, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Driscoll in the chair, and was signed and sealed as follows:

BY-LAW NO. 23, 1923.

A By-law to authorize the construction of asphalt pavements on certain streets in the city of Kingston as local improvements under the provisions of the Local Improvement Act.

Passed April 23rd, 1923.

WHEREAS it is expedient that the works hereinafter described should be undertaken as local improvements, and notice of the intention of the Council to undertake such works has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a sheet asphalt and Nepean sandstone pavement on the following streets in the city of Kingston, namely: On King street, from William street to West street; and the construction of an asphalt pavement on a four-inch concrete base on the following streets in the city of Kingston, namely: On Albert street, from Union street to Princess street; on Alfred street, from Princess street to York street; and the construction of asphalt pavement on an old macadam base be constructed on Earl street from King street to Wellington street; on Gore street from King street to Wellington street; on Union street from King street to Wellington street; as set out in the schedule hereto annexed marked "A" shall each be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared, a sheet asphalt and Nepean sandstone pavement be constructed on the following streets as above, namely: On King street from William street to West street. That a sheet asphalt pavement on a four-inch concrete base be constructed on the following streets as above, namely: On Albert street from Union street to Princess street, on Alfred street from Princess street to York street, and a sheet asphalt pavement on an old macadam base on Earl street from King street to Wellington street, and on Union street from King street to Wellington street as set out above, each as a local improvement under the provisions of the Local Improvement Act.

3. That before proceeding with the work of constructing the said asphalt pavement with a four-inch concrete base on Albert street, all the necessary private drain connections be made from the main sewer to the street line on both sides, and also all necessary water mains, service pipes and stopcocks be laid, and all necessary alterations in the same be made, and also all necessary gas mains, service pipes and stopcocks be laid, and all necessary alterations in the same be made, and that the cost of the water or gas service pipes and stop-cocks and any alterations in the same and the costs of the private branch drains and connections be specially assessed on the particular lots to serve which they are constructed or effected, and the lots affected and to be specially assessed for such additional works are set out in the schedule hereto annexed marked "B."

4. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the said works.

5. The works shall be carried on and executed under the superintendence and according to the direction and orders of such Engineer.

6. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the works to be made and entered into with some person or persons, firm or corporation subject to the approval of this Council to be declared by resolution.

7. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of them.

8. The special assessment shall be paid by ten annual instalments, that period being within the lifetime of the said works.

9. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed, shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within ten years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

10. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sum as, when invested at four per cent. per annum, will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

A By-law to apportion the cost of construction of the sewer on parts of Regent street.

Passed April 23rd, 1923.

WHEREAS Section 22 of the Local Improvement Act empowers the Council by a vote of three-fourths of all the members to provide that a certain sum per foot frontage shall be specially assessed upon the land abutting directly on a sewer constructed under said Act, and the remainder of the cost of such sewer shall be borne by the Corporation.

THEREFORE the Municipal Council of the Corporation of the city of Kingston enacts as follows:

1. That the sum of \$1.939436 per foot frontage shall be specially assessed upon the land abutting directly on the sewer constructed under By-law No. 11 of 1922, on Regent street, from Johnson street to Park street, in the city of Kingston, and that the remainder of the cost of such sewer shall be borne by the corporation.

This by-law shall come in force and take effect on its passing.

REPORTS.**Finance and Accounts.**

Ald. Laturney presented report No. 36 from the Committee on Finance and Accounts as follows:

Kingston, May 3rd, 1923.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Committee on Finance and Accounts begs leave to report and recommend as follows:

1. That the sum of \$400 be provided for band concerts in the City Parks in consideration of Kiwanis Club giving a similar amount, and that Kiwanis Club appoint a committee to act with the City Parks Committee to make arrangements for said concerts.

2. That no action be taken regarding the communication of the Citizens' Research Institute of Canada.

3. That the request of Heaton's Agency for advertisements be not granted.

4. That the sum of \$50 be given for prizes for competition among the cadets at the annual cadet camp at Barriefield.

5. That no action be taken on the application of R. J. Bushell for \$500 as a grant to the Kingston Industrial Agricultural Association.

6. That whereas the sewer in Raglan Road from Barrie to York streets was constructed to give employment to the unemployed, and at a time of the year when the cost was greatly increased, and whereas the cost to the owners on this account is abnormally large and unjust, that a reduction in the assessment of this sewer of 50% be made, and that a by-law be passed confirming the same.

7. That the application of the North End Baseball League to use the Fair Grounds baseball diamond for half of their games be granted, the dates to be arranged by the chairman of the City Property Committee.

8. That the following accounts be paid:

Board of Works.

Ald. Sargent presented report No. 37 from the Board of
Works as follows:

Kingston, May 2nd, 1923.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Board of Works begs leave to report and
recommend as follows:

1. That owing to building operations going on, the E. L. Ruddy Co. Ltd., have been forced to remove bill boards from Ellerbeck and King streets; Ontario street, opposite the Locomotive Works; Division and Colborne streets, Wellington and King streets, and Clarence and King streets, that they be allowed to re-erect these boards at the corner of Princess and Alfred streets, east end of Hotel Dieu property, Brock street, Princess and Ontario streets, 60 King street west, and 195 Ontario street.

2. That the application of George Bawden to build a gasoline service station at corner of Brock and Montreal streets, at the premises of the Central Garage Ltd., with entrances from both Brock and Montreal streets, according to the plan submitted, be granted.

3. That the application of Thomas A. Andre to erect a verandah at the corner of Wellington and William streets, with steps encroaching 24 inches on William street, be granted under the supervision of the City Engineer.

4. That the application of Attwood and Dine to instal a gasoline tank and pump at the east side of Bagot street, between Princess and Queen streets, provided sufficient deposit is made to cover cost of repair to concrete walk, be granted.

5. That the request of W. H. Cockburn to instal a gasoline tank on the boulevard at the east side of Wellington street, between Princess and Queen street, be granted.

6. That an annual tax of \$15 be levied on each gasoline pump in the city.

7. That the City Engineer be authorized to obtain tenders for 100 barrels, more or less, of cold patching material.

8. That a concrete walk be built on the north side of Ann street, from Main to Vine street.

9. That tenders be called for 100 tons of coal to be delivered at such places as required by the City Engineer.

10. That in compliance with the petition of Mrs. Purcell and others that the name of Upper William street from Barrie to University avenue be changed to that of "William street west."

BY-LAW NO. 25, 1923.

A By-law to apportion the cost of construction of the sewer on parts of Raglan Road.

Passed May 7th, 1923.

WHEREAS Section 22 of the Local Improvement Act empowers the Council by a vote of three-fourths of all the members to provide that a certain sum per foot frontage shall be specially assessed upon the land abutting directly on a sewer constructed under said Act, and the remainder of the cost of such sewer shall be borne by the Corporation.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That the sum of \$2.24155 per foot frontage shall be specially assessed upon the land abutting directly on the sewer constructed under By-law No. 36, 1919, on Raglan Road from Barrie to York streets, in the city of Kingston, and that the remainder of the cost of such sewer shall be borne by the Corporation.

This by-law shall come in force and take effect on its passing.

BY-LAWS.

Ald. Laturney presented By-law No. 26, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Wm. Holder in the chair, and was signed and sealed as follows:

BY-LAW NO. 26, 1923

A by-law to repeal by-law No. 20, 1923.

Passed May 21st, 1923.

WHEREAS it is expedient to repeal By-law No. 20 of the year 1923³¹, a by-law to raise by way of loan the sum of \$41,-223.78 by the issue of debentures to meet the cost of construction of sewers, concrete walks, concrete curbs and street ex-

tensions in those portions of the streets in the city of Kingston mentioned in the schedule annexed to this by-law, in order to insert certain omissions in the same and to pass an entirely new by-law in lieu thereof.

BE IT THEREFORE ENACTED by the council of the corporation of the city of Kingston as follows:

1. That by-law No. 20 of the year 1923, a by-law to raise by way of loan the sum of \$41,223.78 by the issue of debentures to meet the cost of construction of sewers, concrete walks, concrete curbs and street extensions in those portions of the streets in the city of Kingston mentioned in the schedule annexed to this by-law is hereby repealed.

2. This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

Ald. Wm. Holder presented by-law No. 27, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Johnston in the chair, and was signed and sealed as follows:

BY-LAW NO. 27, 1923

A by-law to raise by way of loan the sum of \$41,223.78 by the issue of debentures to meet the cost of construction of sewers and concrete walks in those portions of the streets of the city of Kingston mentioned in the schedule annexed to this by-law.

Passed May 21st, 1923.

WHEREAS by a two-thirds vote of all the members of the council of the corporation of the city of Kingston, due no-

tice of the intention of the council to undertake such works having been duly published, it was determined to construct the concrete walks mentioned and described in column one of Part I of the schedule hereto annexed as local improvements under the Local Improvement Act.

AND WHEREAS by a two-thirds vote of all the members of the council of the corporation of the city of Kingston, due notice of the intention of the council to undertake such work having been duly published, it is determined to construct common sewers as local improvements under the said Act, on the portion of the streets mentioned and described in column one of Part II of the schedule hereto annexed.

AND WHEREAS the Provincial Board of Health has approved of the construction of the said sewers.

AND WHEREAS the said several sewers and concrete walks were duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said respective works have been fully completed and a special assessment roll has been prepared by the City Engineer pursuant to the by-law in that behalf showing the cost of the said several works respectively and making an assessment therefor upon the several lots abutting directly on the respective works, and it has been certified that the period of twenty-two years is the probable life of each of the said several works.

AND WHEREAS the assessed value of the whole real property ratable in respect of the said several improvements as ascertained and finally determined is the amount mentioned in the eighth column of the said schedule respectively opposite the said several works as described in the first column of said schedule.

AND WHEREAS the total cost of the said several improvements is as mentioned in the second column of the said schedule respectively and the corporation's portion of such cost is as mentioned in the third column of the said schedule respectively, and the portion of such cost chargeable against the several lots abutting directly on the work is as mentioned in the fourth column of the said schedule respectively opposite the said several works as described in the first column of said schedule.

AND WHEREAS the number of feet frontage of the lots chargeable in case of each of such local improvement works is as set down in the fifth column of said schedule, and the cost per foot frontage chargeable against the lots chargeable in respect of each of such works is as set down in the sixth column of each such schedule respectively opposite each such work as described in the first column of said schedule, and the annual rate per foot frontage to be levied in each year for the period of twenty years upon the several lots abutting directly upon and chargeable in respect of each such work is as set down in the seventh column of the said schedule respectively opposite each such work, as described in the first column of said schedule, and the said schedule is in all these particulars the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of each of the said several works.

AND WHEREAS the sum of \$41,223.78, being the total cost of the said works, is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances, it is expedient to raise the said sum of \$41,223.78 by the issue of debentures of the said city of Kingston, the principal to be payable in twenty years from the first day of January, 1923, as hereinafter provided.

AND WHEREAS it will require the sum of \$1,363.85 to be raised annually for a period of twenty years to pay the sum of \$15,393.33 (being the corporation's portion of the said cost of the said works) and interest at the rate of $5\frac{1}{2}\%$ per annum payable half-yearly, and it will require the sum of \$2,288.57 raised annually for a period of twenty years to pay the sum of \$25,830.45 (being the property owners' portion of the said cost of the said works) and interest at the said rate payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,627,600, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts, secured by special acts, rates or assessments, is the sum of \$1,792,857.99, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate who may be willing to lend the same upon the credit of the corporation by the issue of debentures hereinafter mentioned the sum of \$41,223.78 and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required, not less than \$100 each and not exceeding in the whole the said sum of \$41,223.78, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of \$41,223.78 by the way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated first of January, 1923, and shall be payable on the first day of January, 1943, at the office of the Treasurer of the said city of Kingston in the said city.

4. The said debentures shall bear interest at the rate of $5\frac{1}{2}\%$ per annum, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of \$15,393.33 being the corporation's portion of the cost of the said several works as described in column one of the schedule hereto annexed there shall be raised annually during the currency of the debentures the sum of \$846.63 for the interest thereon and the sum of \$517.22 to form a sinking fund for the payment of the debt, the said sums making together the annual amount of \$1,363.85 to be raised, levied and collected in each year during the said period of twenty years by annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of \$25,830.45 being the owners' portion of the cost of the said several works as described in column one of the schedule hereto annexed there shall be raised annually during the currency of the said debentures the sum of \$1,420.67 for the payment of interest thereon, and the sum of \$867.90 to form a sinking fund for the payment of the said

portion of the said debt, the said sums making together the annual amount of \$2,288.57. For the payment of the owners' portion of the cost, \$25,830.45, and the annual interest thereon, \$1,420.67, the several special assessments set forth in the said Special Assessment Rolls are hereby imposed upon the lands liable therefor as therein severally set forth, which said annual assessments with a sum sufficient to cover the interest thereon at the rate aforesaid shall be payable in twenty (20) equal annual instalments as severally set forth in column No. 7 opposite the said several works as described in column No. 1 of the said schedule hereto annexed, and for that purpose the equal annual special rate per foot frontage applicable to each work as set forth in column No. 7 is hereby imposed in the case of each of such works upon the lots abutting directly upon said works as described in column No. 1 of said schedule, according to the assessed frontage thereof, over and above all other rates and taxes, which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

7. The said debentures shall be sold and the proceeds thereof shall be applied in paying and discharging the temporary loan or debt incurred in and for the construction of the said works and in no other way and for no other purpose whatever.

8. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debentures shall be issued, and no commutation shall be permitted and the lands of persons commuting shall not be subject to the said special rate, and the amount of the said debentures shall be reduced by the amount paid as commutation.

9. This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L. S.]

BY-LAW NO. 28, 1923.

A by-law to amend By-law No. 24, 1919.

Passed

BE IT ENACTED by the Council of the corporation of the city of Kingston as follows:

1. By-law No. 24, 1919, is hereby amended by transferring the parking area on Sydenham street in Section 27 to that of Class "A," Section 25.

This by-law shall come in force and take effect on the passing thereof.

City Clerk.

Mayor.

The by-law was defeated on the third reading on the following division:

Yeas—Mayor Angrove, Ald. Godwin, Holder, Holder, Johnston, Kelly, Kidd, Laturney, Sargent (9).

Nays—Ald. Anglin, Boyd, Chown, Driscoll, McCartney, Nash, Peters, Price, Robertson, Richardson (10).

Ald. Sargent presented By-law No. 29, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Kidd in the chair, and was signed and sealed as follows:

BY-LAW NO. 29, 1923

A by-law to authorize the construction of sheet asphalt pavements, concrete walks and a tile sewer on certain streets in the city of Kingston as local improvements under the provisions of the Local Improvement Act.

Passed 5th June, 1923.

WHEREAS it is expedient that the works hereinafter described should be undertaken as local improvements, and notice of the intention of the Council to undertake such works has been duly published;

AND WHEREAS the Provincial Board of Health has approved of the construction of the sewer on Rideau street as hereinafter set forth:

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a sheet asphalt pavement on a four-inch concrete base on Albert street from Princess street to York street, on Brock street from Barrack street to Nelson street, on Rideau street from Barrie street to Division street, and on Alfred street from Princess street to York street, and the construction of a sheet asphalt pavement on a six-inch concrete base on Wellington street from Princess street to Bay street, and a sheet asphalt on a macadam base on Stephen street from Montreal street to Division street, and the construction of concrete walks on the north side of Ann street from Main street to Vine street, on the south side of Edgehill street from Beverly street to Kensington avenue, on the north side of Johnson street for a distance of 120 feet from Macdonell street, on the east side of North Macdonell street 100 feet northerly from the northerly limit of lot 23 on the west side of North Macdonell street 290 feet northerly from South Bartlett street; on the south side of South Bartlett street from Smith street to South Bartlett street, and the construction of a nine-inch tile sewer on Rideau street from the trunk sewer southerly 410 feet, all as set out in schedule hereto annexed and marked "A," shall be undertaken as a local improvement under the provisions of The Local Improvement Act.

2. That as above determined and declared the construction of a sheet asphalt pavement on a four-inch concrete base on Albert street from Princess street to York street, on Brock street from Alfred street to Nelson street, on Rideau street from Barrack street to North street, on York street from Barrie street to Division street, and on Alfred street from Princess street to York street; and the construction of a sheet asphalt pavement on a six-inch concrete base on Wellington street from Princess street to Bay street, and a sheet asphalt on a macadam base on Stephen street from Montreal street to Division street, and the construction of concrete walks on the north side of Ann street from Main street to Vine street, on the south side of Edgehill street from Beverly street to Kensington avenue, on the north side of Johnson street for a distance of 120 feet from Macdonell street, on the east side of North Macdonell street 100 feet northerly from the northerly limit of lot 23 on the west side of North Macdonell street 290 feet northerly from South Bartlett street; on the south side of South Bartlett street from Smith street to South Bartlett street, and the construction of a nine-inch tile sewer on Rideau street from the trunk sewer southerly 410 feet, all as set out in schedule hereto annexed and marked "A," be constructed each as a local improvement under the provisions of the Local Improvement Act.

3. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the works.

4. The works shall be carried on and executed under the superintendence and according to the direction and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the works to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

6. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of them.

7. The special assessment for the sheet asphalt pavement shall be paid by ten annual instalments, that period being the

lifetime of the said work, and the special assessment for the concrete walks and tile sewer shall be paid by twenty annual instalments, that period being within the lifetime of the said work.

8. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed, shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within twenty years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than $5\frac{1}{2}\%$ per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four percent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

Ald. Laturney presented By-law No. 32, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Price in the chair, and was signed and sealed as follows:

BY-LAW NO. 32, 1923.

A by-law to raise by way of loan on the credit of the debentures of the municipality of the city of Kingston the sum of \$9,000 for the purpose herein mentioned.

Passed June 5th, 1923.

WHEREAS it is expedient to purchase and acquire the lands hereinafter mentioned for the purpose of the corporation of the city of Kingston, and to raise the money to meet the cost of same by the issue of debentures of this corporation, and this by-law is passed to correct an erroneous description in a former by-law assented to by the electors.

The said lands are described as follows: All and singular that certain parcel or tract of land and premises situate, lying and being in the city of Kingston, in the county of Frontenac, in the province of Ontario and Dominion of Canada, and being composed of parts of farm lots Numbers Three and Four, on the west side of the Great Cataraqui River, in the township of Kingston, formerly, but now in said city, and containing forty acres of land more or less and butted and bounded as follows, that is to say: Commencing at the north-westerly angle of said lot Four, thence southerly along the westerly boundaries of said lots Four and Three thirty-one chains and seventy links; thence easterly and at right angles to said westerly boundaries twelve chains and sixty-two and a half links; thence northerly and parallel to said westerly boundaries thirty-one chains and seventy links to the northerly boundary of said lot Four, and thence westerly along said northerly boundary twelve chains and sixty-two and a half links to the place of beginning.

AND WHEREAS the amount of the debt to be created is \$9,000.

AND WHEREAS the total amount required to be raised annually during the currency of said debt by a special rate on the ratable property liable thereto for paying the said debt and interests as herein provided is \$797.40.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,088,200, and the amount of the existing debenture debt of the said city, exclusive of local improvement

debts secured by special acts, rates or assessments, is the sum of \$1,785,779.47, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the corporation of the City of Kingston as follows:

1. It shall be lawful for the Mayor of the said city of Kingston to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same on the credit of the corporation by the issue of the debentures hereinafter mentioned, the sum of \$9,000, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law, and therewith to purchase the said lands.

2. It shall be lawful for the Mayor to cause any number of debentures to be made for such sums of money as may be required not less than \$100 each and not exceeding the whole sum of \$9,000, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of \$9,000 by the way of loan as aforesaid, for the purpose aforesaid.

3. The said debt shall be payable within twenty years from the first day of January, 1923, at the office of the Treasurer of the said city of Kingston.

4. The said debentures shall all bear the same date and shall be issued within two years after the day on which this by-law is passed.

5. The said debentures shall bear interest at the rate of $5\frac{1}{2}\%$ per annum from the first day of January, 1923, with interest payable half-yearly on the first days of the months of January and July in each year at the office of the said Treasurer, in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

6. There shall be raised annually during the currency of the said debentures the sum of \$495 for the payment of the interest thereon, and the sum of \$302.40 to form a sinking fund for the payment of the said debt, the said sum making together the annual amount of \$797.40 to be raised, levied and collected in each year during the period of twenty years by an annual special rate sufficient therefor.

This by-law shall come in force and take effect on its passing, subject to its being assented to by the council of the corporation of the said city of Kingston.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L. S.]

Ald. Laturney presented By-law No. 33, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote, Council went into the committee of the whole on the second reading, the by-law was read a second time, Ald. Richardson in the chair.

BY-LAW NO. 33, 1923.

A by-law to ratify and confirm an agreement with William Collie, of the city of Kingston, in the county of Frontenac, manufacturer, and to authorize the issue of debentures of this corporation to the amount of \$7,500.

Passed June 1923.

WHEREAS the corporation of the city of Kingston and William Collie have entered into the agreement set forth in schedule "A" hereto annexed.

AND WHEREAS the woollen mill now being operated by the said William Collie is a manufacturing industry within the meaning of the Municipal Act.

AND WHEREAS it is expedient to pass this by-law and to submit the same to the electors of this municipality to authorize the issue of debentures of this corporation to the amount of \$7,500 for the purpose of granting aid by way of bonus for the promotion of manufactures within said municipality, to wit: to aid in the equipment and extension and opera-

tion of the said woollen mills, and as more particularly set forth in the agreement forming schedule "A" hereto.

AND WHEREAS the amount of the debt to be created by this by-law is \$7,500.

AND WHEREAS the total amount required to be raised annually during the currency of said debt by a special rate on the ratable property liable thereto for paying the said debt and interest as hereinafter provided is \$627.

AND WHEREAS the amount of the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,627,600, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts, secured by special acts, rates or assessments, is the sum of \$1,792,857.99, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. The agreement hereto annexed and forming schedule "A" to this by-law is hereby ratified and confirmed and shall be deemed to be a part of this by-law.

2. It shall be lawful for the Mayor of the said municipality, for the purpose aforesaid, to raise by way of loan upon the credit of the debentures hereinafter mentioned, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of said debentures, a sum of money not exceeding in the whole the said sum of \$7,500, and to cause the same to be paid into the hands of the Treasurer of said municipality for the purpose aforesaid.

3. It shall be lawful for the Mayor of the said city, for the purpose of said loan, to cause any number of debentures to be made for such sums of money as may be required, and which said debentures shall be sealed with the seal of the said municipality, and signed by the Mayor and countersigned by the Treasurer thereof, and together shall not exceed the said sum of \$7,500.

4. The said debt of \$7,500 shall be payable in twenty years from the first of January, A.D. 1923, at the office of the City Treasurer in the said city, and the said debentures shall have attached to them coupons for the payment of the interest

thereon half-yearly as hereinafter provided, which coupons shall be signed by the said Treasurer.

5. The said debentures shall be dated first of January, 1923, and shall be payable on the first day of January, 1943, at the office of the Treasurer of the said city of Kingston, in the said city.

6. The said debentures shall bear interest at the rate of 5% per annum, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

7. There shall be raised annually during the currency of the said debentures the sum of \$375 for the payment of the interest thereon, and the sum of \$252 to form a sinking fund for the payment of the said debt, the said sums making together the annual amount of \$627 to be raised, levied and collected in each year during the period of twenty years by an annual special rate sufficient therefor to be levied on all the ratable property in said municipality.

8. This by-law shall come in force and take effect on its passing.

9. The said debentures shall not be issued, nor shall the said bonus of \$7,500 be payable till all the terms and conditions of this by-law and said agreement antecedent to payment shall have been fulfilled and complied with.

City Clerk.

Mayor.

THIS INDENTURE, made in triplicate this
June, 1923.

BETWEEN:

WILLIAM COLLIE, of the city of Kingston, in the
county of Frontenac, carrying on business at said city
under the name, style and firm of Collies' Limited,
hereinafter called the party OF THE FIRST PART,

AND

THE CORPORATION OF THE CITY OF KINGS-
TON, hereinafter called the Corporation,

OF THE SECOND PART.

WHEREAS the party of the first part is carrying on the
business of the manufacture of cloths at the said city of
Kingston, and has made application to the corporation for a
bonus of \$7,500 to assist in the establishing and the extending
of said business.

AND WHEREAS it is expedient to grant the said applica-
tion of the said party of the first part, but subject to the
terms, conditions and provisos herein contained:

NOW THIS INDENTURE WITNESSETH that the said
parties hereto, hereby covenant, promise and agree each with
the other of them as follows:

1. The party of the first part shall operate and carry on
his present business of manufacturing cloths for the period
of twenty years to be computed from the 1st day of January,
1923, and so that in each year during the said period of twenty
years at least \$40,000 shall be disbursed as wages to workmen
in the employ and about the said business, exclusive of the
salaries paid to the party of the first part or any other person
or persons that shall be admitted to the firm of Collies' Limit-
ed, or any other firm that may carry on said business in suc-
cession or substitution for the said firm as partners or other-
wise.

2. The corporation shall, by its Council, as soon as may be,
procure to be submitted to the electors of the municipality of

the city of Kingston under the provisions of the Municipal Act in that behalf, a by-law authorizing the issue of the debentures of the corporation to raise the said sum of \$7,500.

3. In case the said by-law upon such submission receives the assent of the said electors as by law required, the corporation shall by its Council pass the said by-law and shall pay the said bonus of \$7,500 to said party of the first part upon being satisfied that the factory now owned and operated by the said party of the first part has been fully equipped for the manufacture of his products by the said party of the first part, and is in actual operation and has in its permanent and continuous employ such a sufficient number of workmen as to insure payment of the amount hereinbefore set out as wages.

4. The factory and premises of the party of the first part shall be exempt from taxation (except as to school taxes and rates) during the said period of ten years or such portion of said period as the party of the first part shall well and truly observe and perform the stipulations, provisos and conditions herein or their part contained and the said exemption shall extend and apply to the business assessment in respect of the said factory and premises as well as to the realty assessment.

5. The party of the first part shall not sell or otherwise dispose of said factory and premises at any time during the said period of twenty years, except to a person or persons, or company to be approved by the corporation, and upon such person, persons or company so purchasing entering into an agreement with the corporation binding such person or persons or company to assume for the portion of the said term of twenty years, which shall be then unexpired the obligations herein assumed by the party of the first part, and who shall be in all respects substituted hereunder for the party of the first part: Provided that the party of the first part may mortgage the said factory and premises for money loaned or to be loaned, and such mortgage may contain the usual covenants and the usual power of sale on default of payment of the mortgage moneys.

6. The party of the first part shall in each year during said period of twenty years, furnish to the City Clerk of the corporation a statement verified by a statutory declaration (of one of the said parties of the first part), showing the amount disbursed by the party of the first part for wages in each such year as herein provided, and the City Auditor of the cor-

poration shall have access from time to time to the books of account of the party of the first part to verify the statement.

7. In case the said by-law shall not on such submission receive the assent of the electors, as required by the Municipal Act, then this agreement and said by-law shall be null and void and of none effect.

8. This indenture and the several terms of the same shall respectively be binding upon the heirs, executors, administrators and assigns of the party of the first part and upon the successors and assigns of the corporation in all respects as if expressly named herein.

IN WITNESS WHEREOF the party of the first part has hereunto set his hand and seal and the Mayor of the corporation has hereto set his hand and caused to be affixed the seal of the corporation.

Ald. Sargent presented By-law No. 35, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in com-

mittee of the whole, Ald. Anglin in the chair, and was signed and sealed as follows:

BY-LAW NO. 35, 1923.

A by-law to authorize the construction of an asphalt walk on the easterly side of West street, from Bagot street to McKelvey's lane, in the city of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed 23rd day of July, 1923.

WHEREAS it is expedient that the construction of an asphalt walk on the easterly side of West street from Bagot street to McKelvey's lane, in said city of Kingston, should be undertaken as a local improvement, and that notice of the intention of the Council to undertake such work has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. (a) That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of the said asphalt walk should be undertaken as a local improvement under the provisions of the Local Improvement Act.

(b) That as above determined and declared, the said asphalt walk be constructed as a local improvement under the provisions of the Local Improvement Act.

2. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

3. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

4. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

5. The Treasurer may (subject to the approval of the Council) agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

6. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of the work).

7. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and be made payable within twenty years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investment shall not be estimated at more than four per cent. per annum.

8. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without the interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

BY-LAWS.

Ald. Sargent presented By-law No. 38, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Boyd in the chair, and was signed and sealed as follows:

BY-LAW NO. 38, 1923.

A by-law to establish, and open up a public highway to extend Brock street from Toronto street to Macdonnell street, in the city of Kingston.

Passed Sept. 14th, 1923.

WHEREAS it is desirable and expedient to establish, lay out and open up a public highway to extend Brock street from Toronto street to Macdonnell street, in the city of Kingston, and the land required to be taken for the highway has been acquired by the Corporation.

BE IT THEREFORE ENACTED by the Council of the Corporation of the City of Kingston as follows:

1. That a public highway to extend Brock street from Toronto street to Macdonnell street is hereby established and laid

out and shall be opened as a public street or highway upon, over and through the following described lands, being the site of the said proposed public street or highway, and which said lands may be more particularly described as follows: that is to say: ALL AND SINGULAR those certain parcels or tracts of land and premises situate, lying and being in the City of Kingston, in the County of Frontenac, and being composed of lot number thirty, and the south sixteen feet of lot number twenty-eight, on the west side of Toronto street and lot number twenty-nine and the south sixteen feet of lot number twenty-seven on the east side of Macdonnell street; according to a plan of subdivision of part of the west half of lot number twenty-two in the first concession of the township of Kingston formerly, now in the city of Kingston, made for Armstrong & Cook by T. W. Nash, P.L.S., dated Oct. 19th, 1887, and registered in the Registry Office for the City of Kingston, on Nov. 1st, 1888. Commencing at a point in the westerly limit of Toronto street where the said westerly limit is intersected by the southerly limit of lot thirty; thence westerly along said southerly limit and continuing along the southerly limit of lot twenty-nine a distance of two hundred and forty-one feet, six inches, more or less, to the east limit of Macdonnell street; thence northerly along the east limit of Macdonnell street sixty-six feet; thence easterly and parallel to the first described limit course a distance of two hundred and forty-one feet, six inches, more or less, to the westerly limit of Toronto street; thence southerly along said westerly limit of Toronto street, sixty-six feet more or less to the place of beginning.

2. The cost of establishing and opening up the said proposed street shall be borne by the municipality at large.

3. This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

Ald. Sargent presented by-law No. 39, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in

committee of the whole, Ald. Chown in the chair, and was signed and sealed as follows:

BY-LAW NO. 39, 1923.

A by-law to authorize the construction of a concrete walk on the south side of Brock street from Toronto street to Macdonnell street, in the City of Kingston, as a local improvement under the Local Improvement Act.

Passed Sept. 14th, 1923.

WHEREAS it is expedient that the construction of a concrete walk on the south side of Brock street, in the City of Kingston, from Toronto street to Macdonnell street, in said City of Kingston, be undertaken as a local improvement, and notice of the intention of the Council to undertake such a work has been duly published.

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. That it is determined and declared by this by-law being passed by a vote of two-thirds of all the members of the Council that it is desirable that the construction of the said concrete walk, on the south side of Brock street from Toronto street to Macdonnell street, shall be undertaken as a local improvement under the provisions of the Local Improvement Act.
2. That as above determined and declared the said concrete walk shall be constructed as a local improvement under the provisions of the Local Improvement Act.
3. That the City Engineer do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of the contract or contracts for the execution of the said work.
4. That the said work shall be carried on and executed under the superintendence and according to the instructions and orders of such Engineer.
5. That the Mayor and Clerk are authorized to cause a contract or contracts, for the construction of the said work,

to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

6. The Treasurer may, subject to the approval of the Council, agree with any Bank or person for temporary advances of money to meet the cost of the said work, pending the completion thereof.

7. The special assessment in each case shall be paid by twenty annual instalments, which is within the lifetime of the said work.

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within twenty years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt the rate of interest shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith, after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

10. This by-law shall come in force and take effect on the passing thereof.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

REPORTS.

Finance and Accounts.

Ald. Laturney presented report No. 59 from the Committee on Finance and Accounts as follows:

Kingston, Oct. 18th, 1923.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Committee on Finance and Accounts begs leave to report and recommend as follows:—

1. That referring to Motion No. 4, Minutes of Council, Sept. 14th, that no action be taken in view of the following reply from the Fuel Controller to the City Clerk:

“I have yours of the 18th instant. In view of the settlement of the strike in the United States I do not anticipate that there will be any shortage in the supply of American anthracite this winter. I note that up to 31st August last Kingston had received 35,422 tons of this coal. This is 50 per cent. of the ordinary yearly supply.”

2. That F. Gerace & Bro. pay the amount of business tax calculated on the business assessment upon the premises occupied by them as estimated for the year 1923 by the City Asses-

sor and City Collector of Taxes, also that they deposit with the City Treasurer \$250, the amount of transient traders' license fee, such last sum to remain on deposit with the City Treasurer until the first day of July, 1924, on which date, if the said company then be assessed upon the Assessment Roll for the year 1924, and engaged in business, the said amount so deposited with the Treasurer shall on the first of July, 1924, be refunded to the said company, with bank interest from the date of deposit; that in lieu of cash, bond satisfactory to the City Treasurer be accepted, and that the City Treasurer is hereby authorized and instructed to carry out the detail of all cases such as the above in the same manner immediately without any further reference to the City Council.

3. That the Kingston Tuberculosis Association be allowed to have a tag day on Saturday, Oct. 27th.

4. That William McCammon, market clerk, be given leave of absence with pay until the end of the year 1923.

5. That this Council approve of the registration of deed from Hugh Macpherson to Thomas Fraser Ritchie.

6. That John F. Johnson be refunded the amount of his taxi license for 1923.

7. That the G. W. V. A. be allowed to hold a Poppy Day on Nov. 10th, 1923.

8. That the City Treasurer be instructed to pay to William Collie, jr., the amount stated in By-law No. 33, 1923, viz., \$7,500, and to raise this amount by the sale of debentures.

BY-LAWS.

Ald. Laturney presented By-law No. 41, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote, Council went into the committee of the whole on the second reading of the by-law, Ald. Anglin in the chair.

BY-LAW NO. 41, 1923

A By-law for granting a bonus to and entering into an agreement with one Dr. Frederick William Attack and the Company he proposes to incorporate.

Passed

WHEREAS it is deemed expedient and in the interest of the city and for the promotion of manufacturing in the municipality to enter into the agreement hereto annexed and to grant the land and the exemptions from taxation herein set forth and to grant such running rights as are held by the corporation on a railway siding as herein provided;

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. The said corporation is hereby directed and empowered to enter into the contract with the said Frederick William Attack hereto annexed as part of this by-law, and the Mayor and City Clerk are hereby directed and empowered to execute the same on behalf of this corporation and affix its corporate seal, and to bind thereby this corporation to the terms and conditions therein contained.

2. This by-law shall take effect on the day of the passing thereof subject to its being assented to by the electors.

City Clerk.

Mayor.

THIS AGREEMENT, made in duplicate this 5th day of November, 1923,

BETWEEN

THE CORPORATION OF THE CITY OF KINGSTON,
hereinafter called the "Corporation,"

Of the First Part,

AND

FREDERICK WILLIAM ATTACK, Doctor of Science, of the Town of Arnprior, in the county of Renfrew, Manufacturer, hereinafter called the "Party,"

Of the Second Part.

WHEREAS the Party of the Second Part proposes to incorporate a company under the Dominion Companies Act to carry on a manufacturing business in the city of Kingston;

AND WHEREAS the corporation has agreed to grant a factory site in said city to the said company for the above purpose, and to grant certain exemptions from taxation and the right to the use of a certain railway siding adjacent to said factory site, but subject to the provisos, terms and conditions herein set out;

NOW THIS AGREEMENT WITNESSETH that in consideration of the premises, the parties hereto promise and agree each with the other of them as follows:

1. The corporation shall grant and convey to the company by a good and sufficient deed in fee simple, clear of all encumbrances, forthwith after the company shall as hereinafter agreed become entitled to such conveyance, all those certain parcels or tracts of land and premises situate, lying and being in the city of Kingston, in the county of Frontenac, and the Province of Ontario, and being composed of lots number one, two, three, four and five as shown on plan of survey by Thomas Fraser Gibbs, Provincial Land Surveyor, of the sub-division of the south-easterly part of lot number one in the concession

west of the Great Cataraqui River, formerly in the township, now in the city of Kingston, said plan being filed in the Registry Office of the county of Frontenac, on the fourth day of June, 1851, and which parcel of land may be more particularly described as follows: Commencing at the north-east corner of Orchard street and Cataraqui street; thence northerly along the east limit of Orchard street a distance of 663 feet more or less to the south limit of River street; thence easterly along the said south limit of River street 439 feet more or less to the water's edge; thence southerly along the water's edge to the north limit of Cataraqui street; thence westerly along the said north limit of Cataraqui street 320 feet more or less to the place of beginning, and containing an area of 5.8 acres, be the same more or less.

2. The said lands and buildings thereon and hereinafter erected thereon, together with the plant and equipment and improvements hereafter made, and every part thereof hereinafter owned by the said company shall be exempt from taxation, including business tax, but not including taxes for school purposes or local improvement taxes, for a period of ten years from the passage of a by-law hereafter to be submitted and granting such exemption.

3. The corporation agrees to apply at its own expense to the Legislature of the province of Ontario at the next session thereof for an Act to confirm such a by-law, and this agreement and to use every reasonable endeavor to secure the passing of said Act, and also granting exemption upon the same terms for a further period of ten years from the expiration of the first mentioned period.

4. The corporation shall apply at its own expense to the Legislature of the Province of Ontario at the next session thereof for an Act fixing the assessment for school purposes of the real and personal property above mentioned as owned or hereafter to be owned by the said company, as well as the business assessment to which they would be otherwise liable for a period of ten years from the passing of such Act, at the fixed sum of Twenty-five Thousand Dollars, and to use all reasonable endeavors to secure the passing of the said Act.

5. The corporation shall at its own expense and cost, concurrent with the conveyance of the said lands to the said company, transfer to the said company the right of the corpora-

tion to the use in common of the railway siding adjoining said property, but subject to the terms and conditions set out in the agreement dated 20th June, 1910, between the corporation and the North American Smelting Company, Limited.

6. The corporation shall by its Council procure to be submitted forthwith to the electors of the municipality of the city of Kingston qualified to vote on money by-laws, a by-law to carry out the terms of this agreement, provided that, in case the by-law on such submission shall fail to receive the assent of the electors as required by the Municipal Act, then this agreement and said by-law shall be null and void, and provided further that in case the said by-law received the assent of the said electors as by law required, the corporation shall by its Council pass the said by-law.

7. The company shall within two years after the passing of the said by-law build and erect on the above described land factory buildings, docks, sewers and railway siding or sidings suitable for the purposes of the company, at a cost of not less than Fifty Thousand Dollars, and shall instal thereon other plant and equipment suitable for the purposes of the business of the company, provided, however, that, if erection of the said buildings, docks, sewers or railway siding or sidings be delayed through strikes, labor difficulties, inability to procure building or other material or by any cause beyond the control of the company, the said period shall be extended for a further period of time equal to the time lost by such delay or delays. Twenty-five Thousand Dollars of the said sum to be expended by the company for the purposes above mentioned shall be expended by the company within one year after the passing of the said by-law, provided that if the erection of the said buildings, docks, sewers or railway siding or sidings be delayed during such year through any of the causes above mentioned, the period within which the said Twenty-five Thousand Dollars is to be expended shall be extended after the expiration of such year for a further period of time equal to the time lost during such year by such delay or delays, and upon the expenditure of the said Twenty-five Thousand Dollars for the purposes above mentioned within the time and extended time, if any, above stipulated for the expenditure thereof of the company shall be entitled to a conveyance of the said lands hereinbefore described free from all encumbrances. Provided that the company shall not be entitled to such conveyance until after stock

of the company of the par value of not less than one hundred and fifty thousand dollars shall have been subscribed, and not less than one hundred thousand dollars paid thereon, and a statutory declaration of the president or secretary of the company accompanied by a certificate of a chartered accountant verifying the fact of such subscription and payment have been delivered by the company to the clerk of the corporation, which statutory declaration and certificate shall be sufficient evidence of such subscription and payment. The remaining sum of Twenty-five Thousand Dollars to be expended by the company for purposes above mentioned shall be expended by the company within the time and extended time, if any, above stipulated for the building and erection of the said factory buildings, docks, sewers and railway siding or sidings by the company. If default be made in the expenditure of the said last mentioned sum of Twenty-five Thousand Dollars within the time and extended time, if any, above stipulated for the same to be made, all exemptions from taxes to which the said company would be entitled shall forthwith cease, and the land, buildings and erections and any and all other taxable assets or property of the company shall thenceforth be liable to taxes and the exemptions hereby provided for shall cease.

8. The company shall not later than one year after the expiration of the time and extended time, if any, above stipulated for the expenditure of the first sum of Twenty-five Thousand Dollars by the company and again at the expiration of two years and extended time, if any, above stipulated for the expenditure of the further sum of Twenty-five Thousand Dollars by the company furnish to the City Auditor of the corporation a statement verified by statutory declaration of the President, Secretary or Treasurer of the company, showing the amounts expended by the company during such respective periods on the erection of the said factory buildings, docks, sewers and railway siding or sidings, and the City Treasurer and City Auditor of the corporation shall have access to all documents necessary to verify the said statements, and the corporation shall within thirty days thereafter notify the company as to whether or not it has satisfied the terms and obligations imposed by this agreement in regard to the erection of said buildings, docks, sewers and railway siding or sidings.

9. The corporation shall and will suffer and permit the company from and after the passing of the said by-law within

which the company is to expend the first sum of Twenty-five Thousand Dollars in the building and erection of factory buildings, docks, sewers and railway siding or sidings upon the said land hereinbefore mentioned to use and occupy for the purposes of this agreement, the said lands, and authorize the company to use the railway siding adjoining the said lands during such time, subject to the terms and conditions set out in the said agreement dated the 20th day of June, 1910, between the corporation and the North American Smelting Company, Limited, and it shall be lawful for the company during such time to change, alter, remove or pull down all or any building or buildings, now upon the said lands.

10. It is expressly understood and agreed by and between the parties hereto that this agreement and the several terms, conditions, and provisos herein contained shall be respectively binding upon the heirs, executors, administrators and assigns of the party of the second part, and upon the successors and assigns of the corporation, in all respects as if expressly named herein, and that if, and when any company hereinafter incorporated by the Party of the Second Part shall enter into an agreement with the corporation assuming the obligations herein assumed by the said party of the second part, he the said party of the second part shall thereby be relieved from all liability and obligations whatsoever herein contained, or arising out of this agreement.

IN WITNESS WHEREOF the parties hereto have hereunto affixed their hands and seals, that of the corporation being hereunto affixed by the corporate seal, under the hand of the Mayor.

Ald. Laturney presented By-law No. 42, 1923. The by-law was read a first time, and the 31st rule being suspended by

two-thirds vote, Council went into the committee of the whole on the second reading of the by-law, Ald. Boyd in the chair.

BY-LAW NO. 42, 1923

A by-law to raise by way of loan on the credit debentures of the municipality of the city of Kingston the sum of \$12,000 for the purpose herein mentioned.

Passed

WHEREAS it is expedient for the corporation of the city of Kingston to purchase and acquire the lands hereinafter mentioned for factory purposes, and to raise the money to meet the cost of same by the issue of debentures of this corporation;

AND WHEREAS the said lands may be described as follows: All those certain parcels or tracts of land and premises situate, lying and being in the city of Kingston, in the county of Frontenac, and the province of Ontario, and being composed of lots number one and three, as shown on a plan of survey by Thomas Fraser Gibbs, Provincial Land Surveyor of the subdivision of the south-easterly part of farm lot number one, in the concession west of the Great Cataraqui River, formerly in the township of Kingston, now in the city of Kingston, said plan being made for John McLean, and was filed in the Registry Office for the County of Frontenac on the fourth day of June, 1851, and is now on file in the Registry Office for said city of Kingston as Plan No. B. 3, and which parcel of land may be more particularly described as follows: Commencing at the north-east corner of Orchard street and Cataraqui street; thence northerly along the east limit of Orchard street a distance of 330 feet more or less to the south limit of lots 4 and 2; thence easterly along the said south limits of said lots 4 and 2 a distance of 391 feet more or less to the water's edge; thence southerly along the water's edge to the north limit of Cataraqui street a distance of 340 feet more or less; thence westerly along the said north limit of Cataraqui street 320 feet more or less to the place of beginning, and containing by admeasurement 2.7 acres, be the same more or less and being composed of lot number one on Cataraqui street and lot number three on the north-east corner of Cataraqui and Orchard

street as laid down on the map of the city of Kingston prepared by J. Innis, Civil Engineer, and containing by admeasurement 2 and 697/1000 acres of land, be the same more or less.

AND WHEREAS the amount of the debt to be created is \$12,000;

AND WHEREAS the total amount required to be raised annually during the currency of said debt by a special rate on the rateable property liable thereto for paying the said debt and interest as herein provided is \$1003.00;

AND WHEREAS the whole rateable property of the said city of Kingston according to the last revised assessment roll is the sum of \$16,627,600, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts secured by special acts, rates or assessments, is the sum of \$1,792,857.99.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same on the credit of the corporation by the issue of the debentures hereinafter mentioned, the sum of \$12,000, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law, and therewith to purchase the said lands.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, not less than \$100 each and not exceeding the whole sum of \$12,000, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of \$12,000 by the way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated first of January, 1924, and shall be payable on the first day of January, 1944, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of five per cent. per annum, payable half-yearly on the first days of the months of January and July in each year at the office of the said Treasurer, in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. There shall be raised annually during the currency of the said debentures the sum of \$600 for the payment of the interest thereon, and the sum of \$403 to form a sinking fund for the payment of the said debt, the said sum making together the annual amount of \$1,003 to be raised, levied and collected in each year during the period of twenty years by an annual special rate sufficient therefor.

This by-law shall come in force and take effect on its passing, subject to its being assented to by the electors.

City Clerk.

Mayor.

Ald. Laturney presented By-law No. 43, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Chown in the chair, and was signed and sealed as follows:

Ald. Sargent presented By-law No. 47, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Kidd in the chair, and was signed and sealed as follows:

BY-LAW NO. 47, 1923.

A by-law to authorize the paving with macadam of parts of George street and Lower University avenue, in the city of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed 5th November, 1923.

WHEREAS it is expedient that the work hereinafter described should be undertaken as a local improvement, and notice of the intention of the council to undertake such work has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that paving with macadam on George

street from Stuart street to King street, and on Lower University avenue from Stuart street to King street, in the city of Kingston, should be undertaken as a local improvement under the provisions of the Local Improvement Act, as set out in Schedule "A" hereto annexed.

2. That as above mentioned and declared the paving with macadam on George street from Stuart street to King street, and on Lower University avenue from Stuart street to King street, in the city of Kingston, be done as a local improvement under the provisions of the Local Improvement Act.

3. The engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the direction and orders of such engineer.

5. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the work to be made and entered into with some person or persons, firm or corporation subject to the approval of the Council, to be declared by resolution.

6. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessments shall be paid by three annual instalments, that period being within the lifetime of the work.

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed, shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within three years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

Ald. Sargent presented By-law No. 50, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Driscoll in the chair, and was signed and sealed as follows:

BY-LAW NO. 50, 1923

A by-law to authorize the construction of sewers on the streets and parts of the streets in the city of Kingston set out in the schedule hereto annexed as local improvements, under the provisions of the Local Improvement Act.

Passed 19th day of November, 1923.

WHEREAS the Local Board of Health of this municipality has recommended the construction of the nine- and twelve-inch tile sewers set out in the schedule hereto annexed, and it is therefore necessary and desirable in the public interest on sanitary grounds to construct such sewers according to such recommendation as local improvements;

AND WHEREAS the Provincial Board of Health has approved of the construction of the said works;

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. (a) That it is determined and declared, this by-law being passed by a vote of two-thirds of all members of the Council that it is desirable that the construction of the said sewers on the streets set out in the schedule hereto annexed should be undertaken as local improvements under the provisions of the Local Improvement Act.

(b) That as above determined and declared, the said sewers be constructed as local improvements under the provisions of the Local Improvement Act.

2. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

3. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

4. The Mayor and the Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation subject to the approval of this Council to be declared by resolution.

5. The Treasurer may (subject to the approval of the Council) agree with any bank or person for temporary ad-

vances of money to meet with the cost of the work pending completion of it.

6. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of the work).

7. The debentures to be issued for the loan to be effected to pay the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by Council, and to be made payable within twenty years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investment shall not be estimated at more than four per cent. per annum.

8. Any person whose lot is especially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without the interest forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sums as, when invested at four per cent. per annum, will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This By-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

Industries.

Ald. Laturney presented report No. 79 from the Committee on Industries as follows:

Kingston, Dec. 18th, 1923.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Committee on Industries begs leave to report and recommend as follows:

1. On account of the unsettled state of trade, markets and depressed business conditions, the year just past has been a trying one to accomplish a great deal in the way of bringing industries to our city.

As to the need of obtaining industries, we think all are agreed, especially in Kingston, having all the necessary conditions such as schools, colleges and all the modern equipment and improvements, of a first class municipality, with a few industries where a limited number of citizens can live a healthy, contented and progressive life, but we are handicapped in having an increase in expenditures on account of having to adopt all modern requirements of the present day without a corresponding increase in civic growth to give us sufficient taxes to pay for them without raising the rates, and we believe that the only way we can overcome this difficulty is to get factories and places for men and women to work, and this not only for our unemployed but to the extent of having to import men and women, thereby increasing the population and real estate incidental to this new condition and making the burden lighter because of being borne by many instead of a few. This condition brings new capital and purchase money from the outside, and is distributed broadcast among the people, creating a stimulative trade and having the effect of making an optimism, when people will not be afraid to invest their money in their own city.

The Province of Ontario allows municipalities to give bonuses as an inducement to have factories locate in their midst, and without debating this question as to whether it is wise legislation, it is sufficient to know it is here, and is being used by other municipalities for this purpose, and we have to get in line or stand by and see the factories go to other places. Besides the bonus, which generally consists of a free site, exemption from taxes and railway siding, there remains the problem of how the new concern is to be financed. There are two gen-

eral methods: First, the company interested to subscribe for the required amount of stock or have it underwritten by a broker; second, the municipality to loan or guarantee bonds or sell the stock to its citizens. The former method is the most agreeable one, and assures more reliability, and in Kingston, on account of former experiences, the second method is not very acceptable, and your committee does not want to undertake it.

Your committee has dealt with several propositions during the year, and many of them were not suitable enough to bring to Council, but three are under consideration at the present time, with good prospects of making a satisfactory arrangement to have them locate here, and we are pleased to report that we have every reason to believe that the new chemical plant will measure up to our expectations, and we wish to thank the electors for their very favorable vote.

Reports from the C. P. R. Industrial Commissioner at Toronto and Heaton's Agency are to the effect that very few industries were started in this district during the year, and that Kingston has been as fortunate as any, and especially so, taking into consideration the small amount of money placed at the committee's disposal for this purpose.

We have conducted the year's business in co-operation with the committee of the Board of Trade, and as the personnel of the Council has been changed very little, we will leave this matter to next year's committee regarding the recommendations in this regard.

We recommend a larger appropriation for next year's committee. Your committee of this year intended to bring out an up-to-date booklet of the city, containing up-to-date photographs and descriptive reading matter, but were unable to do so on account of lack of funds. This should be done next year, as it is very important that a booklet of this kind should be in circulation.

We have this year one of the biggest assets we have had since 1892, viz., 52 ships quartered here for the winter. This will mean an average expenditure of approximately \$5,000 per boat, or the tidy sum of \$250,000 spent in this city during the

most trying season. We all, directly or indirectly, reap some benefit from this desirable class of work, and we hope that next year the number will be greatly increased.

We recommend an aggressive campaign for industries and tourist trade for 1924.

Respectfully submitted,

BY-LAWS.

Ald. Sargent presented By-law No. 51, 1923. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Johnston in the chair, and was signed and sealed as follows:

BY-LAW NO. 51, 1923.

A by-law to open up, grade and establish as a new street a continuation of Cowdy streets from Adelaide street to Stephen street, as a local improvement under the provisions of the Local Improvement Act.

Passed Dec. 18th, 1923.

WHEREAS it is expedient that the construction of the work hereinafter described shall be undertaken as a local improvement, and notice of the intention to undertake such work has been duly published:

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable to open up, grade and establish as a new street a continuation of Cowdy street, in the city of Kingston, from the northerly limit of Adelaide street to Stephen street, as more particularly described as follows: Composed of lot twenty-two, on the north side of Adelaide street, and the easterly sixty-six feet of lot five, in rear of said lot 22, as shown on a plan of town lots laid out on the south-west portion of lot number one of the concession west of the Great Cataraqui river, formerly in the township, now in the city of Kingston, and registered in the Registry Office for the city of Kingston, on the 29th day of November, A.D. 1887, as Plan B, and part of farm lot number one, in the concession west of the Great Cataraqui river, fronting fifty feet on Stephen street, which said lot may be more particularly described as follows: Commencing at a point where the west limit of lot 22 intersects the north limit of Adelaide street, thence northerly along the west limit of said lot and its production northerly 166.65 feet more or less to the north limit of lot 5; thence easterly along said north limit of lot 5 a distance of eight feet to the easterly limit of lot 8 laid down on a plan of part of farm lot one, known as the Rideau View Sub-division, made by F. T. Miller, O.T.S., and registered in the Registry Office for the city of Kingston, on the 10th day of June, 1919, as plan 154; thence northerly along the easterly limit of lot eight a distance of one

hundred and forty-one feet more or less to the south limit of Stephen street; thence easterly along the south limit of Stephen street a distance of fifty feet thence southerly at right angles a distance of one hundred and forty-one feet more or less to the northern boundary of that part of farm lot number one, formerly owned by one William Anglin thence easterly along said northerly boundary a distance of eight feet to the east limit of lot five; thence southerly along the east limit of lot five and the east limit of lot 22 a distance of 166.65 feet more or less to the north limit of Adelaide street; thence westerly along the north limit of Adelaide street sixty-six feet to the place of beginning, as set out in the schedule hereto marked "A," should be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared there shall be opened up, graded and established as a new street a continuation of Cowdy street, as above described as a local improvement under the provisions of the Local Improvement Act.

3. That the Engineer of the corporation do forthwith make such plans, profiles and specifications, and furnish such information as may be necessary for the making of a contract or contracts for the execution of the work.

4. That the work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

6. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessment shall be paid by twenty annual instalments, this period being within the lifetime of the work.

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by Council, and be made payable within twenty years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is especially assessed may commute for a payment in cash the special rates imposed thereon. by paying the portion of the cost of construction assessed upon such lot, without the interest, forthwith after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sums as, when invested at four per cent. per annum, will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.
